One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

## Introduction

Thank you for choosing the Field Stock Savage Axis SA RH MDT Chassis. This guide provides essential safety instructions to ensure the safe use and maintenance of your rifle stock. Adhering to these guidelines will help you enjoy a safe and effective shooting experience.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety mechanism is engaged when not in use.
- Store the firearm and ammunition separately and securely.
- Be aware of your surroundings and ensure a clear shooting area.
- Use appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm use and ownership.
- Regularly inspect your equipment for wear or damage before use.

## Specific Safety Precautions for Use

- **Aluminum VBlock Bedding System:** Ensure that the bedding system is properly installed and free from debris to maintain accuracy and stability.
- **FreeFloating Barrel Design:** Avoid placing any objects against the barrel when the rifle is in use, as this can affect precision.
- **Adjustable Buttstock:** Make sure the buttstock is securely adjusted to fit your body size and shooting style to prevent discomfort and maintain control.
- **Sling Swivel Studs:** Check that sling swivel studs are securely attached before use to prevent accidental detachment.
- **MLOK Forend:** Ensure that any accessories attached to the MLOK forend are securely fastened to avoid accidents during operation.

## Instructions for Installation and Usage
