

# Field Stock Savage Axis LA RH - MDT Chassis - Field Stock - Savage Axis - LA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

## Safety Instruction Guide

### Introduction

Thank you for choosing the Field Stock Savage Axis LA RH MDT Chassis. This guide provides essential safety instructions to ensure the safe use and handling of your rifle stock. It is important to read and understand this guide before using the product.

### General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the rifle is unloaded when installing or adjusting the stock.
- Familiarize yourself with the rifle's operation and safety features.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and their accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Installation Precautions:**

- Ensure that all components are compatible with your rifle model before installation.
- Use the appropriate tools as specified in the installation instructions.
- Do not force any parts together; if they do not fit, consult the manual.

- **Usage Precautions:**

- Always wear appropriate eye and ear protection when shooting.
- Maintain a safe shooting distance from others and ensure a clear line of sight.
- Be aware of your surroundings and ensure that the shooting area is safe.
- Avoid using the stock in adverse weather conditions that may affect performance or safety.

- **Maintenance Precautions:**

- Clean the stock regularly to prevent dirt and debris buildup.
- Check the aluminum vblock bedding system and freefloating barrel for any signs of damage or misalignment.
- Lubricate moving parts as recommended in the maintenance section of the manual.

### Instructions for Installation and Usage

#### Installation Steps

1. **Preparation:**

- Gather all necessary tools, including a screwdriver and any other specified tools.
- Ensure that the rifle is unloaded and pointed in a safe direction.

2. **Removing the Old Stock:**

- Unscrew and remove the existing stock from the rifle action.
- Carefully detach any attached components, such as sling swivel studs.

### **3. Installing the Field Stock:**

- Align the rifle action with the vblock bedding system of the Field Stock.
- Securely fasten the stock to the rifle using the provided screws.
- Ensure that all screws are tightened to the manufacturer's specifications.

### **4. Adjusting the Buttstock:**

- Adjust the length of pull on the buttstock to suit your comfort.
- Test the adjustment by shouldering the rifle and ensuring a proper fit.

### **5. Final Checks:**

- Inspect the installation to ensure everything is secure and properly aligned.
- Perform a function check to ensure the rifle operates correctly with the new stock.

## **Usage Instructions**

- Always follow safe shooting practices.
- Use the adjustable buttstock to find a comfortable shooting position.
- Utilize the MLOK forend for attaching accessories as needed.
- Regularly check the stability of the stock during use, especially after extended shooting sessions.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling any aluminum components where facilities are available.

## **Contact Information for Further Support**

For any questions or concerns regarding the Field Stock Savage Axis LA RH MDT Chassis, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you will help ensure a safe and enjoyable shooting experience with your Field Stock Savage Axis LA RH MDT Chassis.
