

# Savage SA Field Stock RH - Savage SA Field Stock BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Savage SA Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

With the included sling swivel studs and an M-LOK forend, you have the freedom to mount any accessory necessary to accomplish your mission. Attach a sling and bipod for a successful backcountry hunt, or set up in a blind with an ARCA rail and tripod for precision shooting. AICS magazine compatibility ensures you're always carrying the right amount of ammunition for the task at hand.

# Savage SA Field Stock RH Safety Instructions

## Introduction

Thank you for choosing the Savage SA Field Stock RH. This product is designed to enhance your shooting experience while ensuring safety during use. Please read and follow these safety instructions carefully to ensure safe operation and maintenance of your rifle stock.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that your shooting area is clear of obstructions and bystanders.
- Only use ammunition that is compatible with your firearm.
- Store your firearm and ammunition securely to prevent unauthorized access, especially from children.
- Be aware of your surroundings and know what is beyond your target.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- **Aluminum VBlock Bedding System:** Ensure that the bedding system is properly installed and free from debris to maintain accuracy and stability.
- **FreeFloating Barrel Design:** Avoid placing any objects against the barrel while shooting to prevent interference with accuracy.
- **Adjustable Buttstock:** Adjust the buttstock to fit your body size and shooting style before use. Ensure that it is securely locked in place to avoid any movement during shooting.
- **Sling Swivel Studs:** When attaching a sling, ensure that the swivel studs are securely fastened to prevent accidental detachment.
- **MLOK Forend:** When adding accessories to the MLOK forend, ensure that they are compatible and securely attached to avoid failure during use.
- **AICS Magazine Compatibility:** Only use AICScompatible magazines to ensure proper feeding and function of your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the installation manual that comes with your Savage SA Field Stock.
- Ensure that all tools required for installation are available and that you are in a safe environment.
- Follow the stepbystep instructions for attaching the stock to your rifle, ensuring that all screws and fittings are tightened securely.
- Check for any gaps or misalignments after installation.

### 2. Usage:

- Before using your firearm, ensure that it is clean and properly maintained.
- Adjust the buttstock to your preferred length of pull and ensure it is locked in place.
- Familiarize yourself with the location and function of all controls on your firearm.
- Practice shooting in a safe and controlled environment to become accustomed to the stock's features.

## Disposal Instructions

- When disposing of the Savage SA Field Stock, follow local regulations regarding the disposal of aluminum and other materials.
- If the stock is damaged beyond repair, consider recycling the aluminum components.
- Ensure that any accessories or attachments are also disposed of in an environmentally friendly manner.

## Contact Information for Further Support

For any safety inquiries or additional support regarding your Savage SA Field Stock RH, please refer to the product documentation for contact information. Ensure that you have your product details ready when seeking assistance.

## Conclusion

By following these safety instructions, you can maximize your enjoyment and safety while using the Savage SA Field Stock RH. Always prioritize safety and responsibility in all your shooting activities. Thank you for your commitment to safe firearm practices.
