[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

One standout feature that distinguishes the Field Stock is its aluminum v-block bedding system, which significantly enhances accuracy by providing a stable and secure foundation for your rifle's action. Furthermore, the ingenious free-floating barrel design further elevates precision, instilling the confidence you need to consistently hit your target.

For enthusiasts of long-range shooting, the adjustable buttstock delivers a customizable experience, ensuring your comfort during extended shooting sessions. Bid farewell to discomfort and usher in a new era of shooting performance.

The Tikka T3 Field Stock offers extensive configurability, making it suitable for a wide range of shooting disciplines. It comes equipped with sling swivel studs for added convenience, while the M-LOK forend opens up a world of possibilities for personalizing your setup with accessories. Whether you're engaged in hunting, competitive shooting, or simply enjoying leisurely long-range target practice, this stock is your all-encompassing solution.

With the included sling swivel studs and an M-LOK forend, you have the freedom to mount any accessory necessary to accomplish your mission. Attach a sling and bipod for a successful backcountry hunt, or set up in a blind with an ARCA rail and tripod for precision shooting. AICS magazine compatibility ensures you're always carrying the right amount of ammunition for the task at hand.
