

# Scout Breacher Trigger - AR-15 Scout Breacher Trigger

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Scout-Breacher Trigger from German Tactical Systems is made for shooters who need both speed and precision. Originally, we planned to design two different triggers - one for long-range accuracy and another for quick, close-range shots. But we found a way to combine them, creating a versatile trigger that adapts to any shooting situation. Whether you're on the range or in the field, the Scout Breacher delivers the performance you need.

**Versatile Design:** Transitions smoothly from a curved section for rapid shooting to a flat, lighter pull for precise long-range shots.

**Adjustable Trigger Weight:** Set at 1.6kg / 3.5lb from the factory, but easily adjustable up or down, so you can fine-tune it to match your shooting style and preferences.

**Drop-In Simplicity:** Simple, drop-in design - no complex tools or modifications needed. **Anti-Rotation Pins:** While not necessarily required, the included anti-rotation pins offer an extra layer of security for those who want to ensure the trigger remains firmly in place during intense use.

**Crisp Break & Quick Reset:** Enjoy a clean, consistent break that improves accuracy, paired with a quick reset for follow-up shots - making it effective for both close engagements and precision targeting.

**Built to Last:** Made from high-quality materials, the Scout Breacher Trigger is built to endure rigorous use, maintaining its performance through thousands of rounds.

**Ready for Any Mission:** Whether you're out on the range, in the field, or in a tactical scenario, the Scout-Breacher Trigger gives you the flexibility you need.

**AR Platform Compatibility:** This version is designed for AR-15 and AR-10 rifles, with a separate version available for 9mm chambered ARs, which need a different trigger profile for optimal performance.

## Attributes

- Name: [AR-15 Scout Breacher Trigger](#)
- Manufacturer: [GERMAN TACTICAL SYSTEMS](#)
- Product no.: EU2012684
- Mfr. No.: GTS-7508-BLK
- Colour: Light Blue
- Model: AR-15
- Style: Curved
- Weapon type: AR-15
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN: 0792649432716

# Scout Breacher Trigger Safety Instructions

## Introduction

Thank you for choosing the Scout Breacher Trigger by German Tactical Systems. This product is designed for shooters who require both speed and precision in their shooting experience. To ensure your safety and the safe use of the product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and know what is beyond your target.
- Do not rely on the safety mechanism alone; always follow safe handling practices.
- Ensure that the trigger is installed correctly before use.
- Regularly inspect the trigger for wear or damage.
- Store the trigger and firearm in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the trigger weight is adjusted to your preference before using the firearm.
- Use only compatible firearms (AR15 and AR10 rifles) with the Scout Breacher Trigger.
- Avoid using the trigger in extreme weather conditions that may affect its performance.
- Do not attempt to modify the trigger or its components.
- If you experience any malfunction while using the trigger, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Insert the Scout Breacher Trigger into the trigger housing.
- Secure the trigger in place using the provided antirotation pins.
- Adjust the trigger weight to your desired setting (factory setting is 1.6kg / 3.5lb).
- Conduct a function check to ensure proper operation before use.

### 2. Usage

- Familiarize yourself with the trigger's operation before engaging in live shooting.
- Practice shooting in a controlled environment to become accustomed to the trigger's feel.
- Always wear appropriate eye and ear protection while shooting.
- Maintain a safe shooting stance and grip while using the firearm.

## Disposal Instructions

- When disposing of the Scout Breacher Trigger, follow local regulations regarding the disposal of firearm components.
- Do not dispose of the trigger in regular household waste.
- Consider recycling options or contacting local authorities for safe disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Scout Breacher Trigger, please contact your local retailer or the manufacturer directly. Ensure that you have the product details available for a more efficient response.

By following these safety instructions, you can ensure a safer shooting experience with the Scout Breacher Trigger. Always prioritize safety and responsible firearm handling.
