

# Chassis - HNT 26 - Howa 1500 - SA - RH - Folding - ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## DESIGNED FOR THE HUNT

MDT's first purpose-built hunting chassis. Made with lightweight carbon fiber, with folding stock and ARCA forend options.

## WHEN POUNDS EQUAL PAIN

Manufactured using magnesium and carbon fiber, two of the highest quality, and most lightweight materials around. The HNT26 Chassis total package weights in starting at just 26oz, with the folding and ARCA options going up to approx. 31oz.

## COMFORTABLE REGARDLESS OF WEATHER

Carbon fiber touch points on the HNT26 Chassis System not only help with weight savings, but also remove the "cold to the touch" feeling that can be associated with some metal materials in extreme conditions.

## DESIGNED TO BE SNAG-FREE

The HNT26 rifle stock has been designed to drastically diminish snag points. From its smoother, less aggressive shape to the seamless integration of the magazine latch into the trigger guard, every part of this chassis system was truly designed with the hunter in mind.

1. Warm to the touch with lightweight carbon
2. Enclosed forend with M-LOK slots at 3, 6, 9 and 12 o'clock
3. Low profile mag latch integrated into the trigger guard
4. Adjustable cheek riser for better fitment
5. AICS Magazine compatible
6. Lightweight carbon fiber pistol grip (included)
7. QD Flush cups front and rear on both sides
8. Snag-free design for bushwhacking in the field

## Attributes

- Name: [MDT Chassis - HNT 26 - Howa 1500 - SA - RH - Folding - ARCA - CKG](#)
- Manufacturer: [MDT](#)

# MDT Chassis HNT 26 Howa 1500 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT 26 for your Howa 1500 rifle. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the chassis to ensure a safe and enjoyable experience.

## General Safety Guidelines

- **Product Safety:** This chassis is designed for safe use in hunting and shooting activities. Always follow the manufacturer's instructions and guidelines.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** Ensure that you purchase this product from authorized dealers who comply with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Always supervise young individuals around firearms and related equipment.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point associated with this product.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Always treat the chassis as if it is loaded:** Even when you believe it is unloaded, always follow safe handling practices.
- **Inspect the chassis before use:** Look for any signs of damage or wear that could affect performance.
- **Use only compatible magazines:** Ensure that you are using AICS magazines as specified for this chassis.
- **Maintain a safe environment:** Always use the chassis in a safe and controlled environment, free from distractions.
- **Secure your firearm:** When not in use, store the chassis and the rifle in a safe location, away from unauthorized access.
- **Avoid modifications:** Do not alter the chassis or its components, as this could compromise safety and performance.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the installation instructions provided in the product manual.
- Ensure all components are present and in good condition before starting the installation.
- Follow the steps below for proper installation:
  - Remove the existing stock from your Howa 1500.
  - Align the MDT chassis with the action of the rifle.
  - Securely attach the chassis using the provided screws, ensuring they are tightened to the recommended torque specifications.
  - Attach the adjustable cheek riser if needed, adjusting it for a comfortable fit.
  - Ensure the magazine latch is properly integrated into the trigger guard.

### 2. Usage:

- Always wear appropriate safety gear, including eye and ear protection, when using the rifle.
- Ensure the chassis is properly adjusted for your comfort before firing.
- Practice good shooting habits, including maintaining a firm grip and proper stance.
- Regularly check the chassis for any signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of the chassis in accordance with local regulations regarding electronic and composite materials.
- Do not dispose of the chassis in regular household waste.
- If you are unsure about disposal methods, consult local waste management authorities for guidance.

## **Contact Information for Further Support**

For further assistance or inquiries related to product safety, please consult the designated EU contact point for this product.

Thank you for your attention to these safety guidelines. Enjoy your experience with the MDT Chassis HNT 26 and stay safe!
