

# Chassis - HNT 26 - Howa 1500 - SA - RH - Folding - Non ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## DESIGNED FOR THE HUNT

MDT's first purpose-built hunting chassis. Made with lightweight carbon fiber, with folding stock and ARCA forend options.

## WHEN POUNDS EQUAL PAIN

Manufactured using magnesium and carbon fiber, two of the highest quality, and most lightweight materials around. The HNT26 Chassis total package weights in starting at just 26oz, with the folding and ARCA options going up to approx. 31oz.

## COMFORTABLE REGARDLESS OF WEATHER

Carbon fiber touch points on the HNT26 Chassis System not only help with weight savings, but also remove the "cold to the touch" feeling that can be associated with some metal materials in extreme conditions.

## DESIGNED TO BE SNAG-FREE

The HNT26 rifle stock has been designed to drastically diminish snag points. From its smoother, less aggressive shape to the seamless integration of the magazine latch into the trigger guard, every part of this chassis system was truly designed with the hunter in mind.

1. Warm to the touch with lightweight carbon
2. Enclosed forend with M-LOK slots at 3, 6, 9 and 12 o'clock
3. Low profile mag latch integrated into the trigger guard
4. Adjustable cheek riser for better fitment
5. AICS Magazine compatible
6. Lightweight carbon fiber pistol grip (included)
7. QD Flush cups front and rear on both sides
8. Snag-free design for bushwhacking in the field

## Attributes

# MDT Chassis HNT 26 Howa 1500 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Chassis HNT 26 for your Howa 1500 rifle. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this document carefully to understand the safety precautions, installation instructions, and proper usage of the chassis system.

## General Safety Guidelines

To ensure safe use of the MDT Chassis HNT 26, please follow these general safety guidelines:

- Always handle firearms with care and follow all local laws and regulations.
- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Inspect the chassis for any damage or wear before each use. Do not use if damaged.
- Use only compatible magazines and accessories as specified by the manufacturer.
- Familiarize yourself with the operation of the chassis and all its features before use.

## Specific Safety Precautions for Use

When using the MDT Chassis HNT 26, please observe the following safety precautions:

- Ensure that the folding stock is securely locked in place before use to prevent accidental folding.
- Be aware of your surroundings and ensure a clear line of sight when handling your rifle.
- Avoid using the chassis in extreme weather conditions without proper preparation.
- Do not modify the chassis in any way that could compromise its integrity or safety.
- Store the chassis in a dry, cool place when not in use to maintain its condition.

## Instructions for Installation and Usage

Follow these instructions for the proper installation and usage of your MDT Chassis HNT 26:

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the Howa 1500 rifle following the manufacturer's instructions.
- Align the MDT Chassis with the rifle's action, ensuring a proper fit.
- Securely attach the chassis to the rifle using the provided screws and tools.
- Check that all screws are tightened to the manufacturer's specifications.

### 2. Usage:

- Adjust the cheek riser to your preferred height for optimal comfort and aim.
- Ensure the magazine is properly seated in the chassis before firing.
- Utilize the QD flush cups for attaching slings as needed for stability.
- After use, always clean and inspect the chassis to maintain its performance.

## Disposal Instructions

When it comes time to dispose of the MDT Chassis HNT 26, please follow these guidelines:

- Do not dispose of the chassis in regular household waste.
- Check local regulations for proper disposal of carbon fiber and magnesium materials.
- Consider recycling options for the chassis and its components, if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Chassis HNT 26, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product information ready for a more efficient response.

## **Conclusion**

Your safety is of utmost importance when using the MDT Chassis HNT 26. By following the guidelines and precautions outlined in this document, you can enjoy a safe and effective hunting experience. Thank you for your attention to these safety instructions, and happy hunting!
