

Full Length Die 7/8 - Full Length Die 5,6x52 R

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 7/8 Full Length Die 5,6x52 R

Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 7/8 Full Length Die 5,6x52 R. This product is designed to help you size cartridge cases safely and effectively. It is important to follow the safety guidelines outlined in this manual to ensure safe usage and to avoid potential hazards.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the workspace is clean and organized to prevent accidents.
- Use the die only for its intended purpose: sizing cartridge cases.
- Keep the die out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the die may result in injury or damage to equipment.
- The die may produce sharp edges; handle with care.
- Ensure that the press is securely mounted before operation.

- **Avoiding Hazards:**

- Always wear safety glasses to protect your eyes from debris.
- Use gloves when handling the die to prevent cuts.
- Never exceed the recommended load specifications for your cartridge cases.
- Do not attempt to modify or disassemble the die.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Secure the die into the press using the lock nut, ensuring it is tightly fastened.
- Check the alignment of the die with the press to ensure proper operation.

2. Usage:

- Insert the cartridge case into the die and apply pressure using the press.
- The neck of the case will be calibrated as it is pushed through the die.
- After sizing, carefully remove the cartridge case from the die.
- Regularly check the expander and ejector pin for wear; replace if necessary.

3. Calibration:

- Calibration occurs automatically when the cartridge case is pushed into the die.
- Ensure you are using the correct cartridge case for optimal results.

Disposal Instructions

- Dispose of the die and any worn components in accordance with local regulations.
- Do not dispose of the die in regular household waste.
- Contact local recycling centers for proper disposal options.

Contact Information for Further Support

For any inquiries regarding safety, usage, or replacement parts, please contact your local retailer or the manufacturer directly. Always keep your purchase receipt for warranty purposes.

By following these guidelines, you can ensure a safe and effective experience with your Full Length Die 7/8 Full Length Die 5,6x52 R. Thank you for your attention to safety!
