

Full Length Die 7/8 - Full Length Die 7,5x55 Suisse

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 7/8 Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 7/8 for your reloading needs. This manual provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die to avoid any hazards and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the Full Length Die 7/8. This product is designed for reloading cartridge cases and should be used in accordance with the guidelines outlined in this manual.
- **Enhanced Recalls:** In the event of a product recall, you will be informed through standardized notices. Please pay attention to any updates regarding the safety of this product.
- **Online Shopping:** If you purchased this product online, be assured that it meets the same safety standards as those sold in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely and out of reach of minors.
- **EU Contact Point:** For any safety inquiries or concerns, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay informed about any safety updates or alerts regarding the Full Length Die 7/8 through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual:** Always read this safety manual in its entirety before using the die.
- **Inspect the Die:** Before use, inspect the die for any signs of damage or wear. Do not use if any components are damaged.
- **Wear Protective Gear:** Use appropriate safety gear, such as safety glasses and gloves, to protect yourself during the reloading process.
- **Keep Work Area Clean:** Maintain a clean and organized workspace to prevent accidents and ensure efficient operation.
- **Follow Manufacturer Instructions:** Adhere strictly to the manufacturer's instructions for proper use and maintenance.
- **Avoid Overloading:** Do not exceed the recommended specifications for the die to prevent malfunction or damage.
- **Store Safely:** Store the die in a dry, safe place, away from children and unauthorized users.

Instructions for Installation and Usage

- **Installation:**

1. Ensure the reloading press is securely mounted and stable.
2. Insert the Full Length Die 7/8 into the press, ensuring it is properly aligned.
3. Tighten the lock nut to secure the die in place.

- **Usage:**

1. Prepare the cartridge case by cleaning and inspecting it for damage.
2. Insert the cartridge case into the die, ensuring it is pushed fully into the die for proper sizing.
3. Use the press to size the cartridge case, ensuring that the neck is calibrated correctly as it exits the die.
4. If necessary, replace the expander or ejector pin by following the manufacturer's instructions for easy replacement.

5. After use, clean the die to remove any debris or residue.

Disposal Instructions

- **Dispose Responsibly:** When the Full Length Die 7/8 reaches the end of its life cycle, dispose of it in accordance with local regulations regarding metal and tool disposal.
- **Recycling:** If possible, recycle components to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Full Length Die 7/8, please refer to the manufacturer's customer support resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Full Length Die 7/8. Thank you for your commitment to safety and responsible use.
