

Full Length Die 7/8 - Full Length Die 300 Whisper

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 7/8 Full Length Die 300 Whisper Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 7/8 Full Length Die 300 Whisper. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before using the die to avoid any hazards and to ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Always ensure the die is used according to the instructions provided. This product is designed for safe use when handled correctly.
- **Enhanced Recalls:** In the unlikely event of a product recall, follow the instructions provided in the recall notice for safe disposal or return.
- **Online Shopping:** When purchasing the die online, ensure that the seller complies with safety standards similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is kept out of reach of minors.
- **EU Contact Point:** If you have safety inquiries, consult the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential hazards include improper handling, misuse, and failure to follow instructions.
- **Avoiding Hazards:**
 - Always ensure the die is securely mounted in the press before use.
 - Do not attempt to modify any components of the die.
 - Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using the die.
 - Keep hands and clothing away from moving parts during operation.
- **Age Restrictions:** This product is intended for adult use only. Ensure that it is not accessible to children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the press is turned off and disconnected from any power source before installation.
 2. Securely mount the die in the press using the lock nut provided. Ensure it is tightened to prevent movement during operation.
 3. Attach the expander and primer ejector pin if they are not already in place.
- **Usage:**
 1. Insert the cartridge case into the die.
 2. Apply pressure using the press to size the cartridge case fully.
 3. The neck of the case will be calibrated from the inside as it is removed from the die, ensuring proper neck tension.
 4. If necessary, replace any worn components, such as the expander or ejector pin, with minimal effort.

5. Always check the positioning of the die in the press using the lock nut before starting the operation.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or further assistance regarding the Full Length Die 7/8 Full Length Die 300 Whisper, please reach out to your retailer or manufacturer. They will provide you with the necessary support and information.

Thank you for your attention to these safety instructions. Enjoy using your Full Length Die safely and effectively!
