

# Full Length Die 7/8 - Full Length Die 338 Win Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Full Length Die 7/8 Full Length Die 338 Win Mag Safety Instruction Guide

## Introduction

Thank you for choosing the Full Length Die 7/8 Full Length Die 338 Win Mag. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die.

## General Safety Guidelines

- Ensure that the die is used for its intended purpose only.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling and using the die.
- Keep the die out of reach of children and unauthorized users.
- Inspect the die for any signs of damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding reloading and ammunition production.

## Specific Safety Precautions for Use

- Always use the die in a wellventilated area to avoid inhalation of any dust or particles.
- Ensure the die is securely mounted in the reloading press before use.
- Be cautious when handling cartridge cases and primers, as they may pose risks if mishandled.
- Avoid wearing loose clothing or jewelry that could get caught in the machinery.
- Never exceed the recommended load specifications for the cartridge being reloaded.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the die and check all components for completeness.
- Mount the die securely in the reloading press, ensuring it is aligned correctly.
- Tighten the lock nut to secure the die in place.

### 2. Usage

- Insert the cartridge case into the die.
- Operate the press to push the case into the die. The neck of the case will be calibrated from the inside.
- Check the neck tension after sizing to ensure it meets specifications.
- If necessary, replace the expander or ejector pin by following the manufacturer's instructions.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, consult local waste management for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Full Length Die 7/8 Full Length Die 338 Win Mag, please consult the product manual or contact the manufacturer for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the Full Length Die 7/8 Full Length Die 338 Win Mag. Always prioritize safety and adhere to best practices while using this product. Thank you for your attention to these important details.
