

Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 6mm Creedmoor

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRest Neck Die 7/8 Safety Instruction Guide

Introduction

Thank you for choosing the BenchRest Neck Die 6mm Creedmoor. This product is designed to help you achieve precise reloading of your ammunition. It is important to follow the safety instructions outlined in this guide to ensure safe use and optimal performance.

General Safety Guidelines

- Always read the instruction manual before using the product.
- Ensure that the die is used in accordance with the manufacturer's guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the die for any damage or wear before each use.
- Use only compatible components and accessories with this die.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when handling the die and reloading materials.
- Ensure that the workspace is clean, dry, and welllit to avoid accidents.
- Do not exceed the recommended specifications for the die, including cartridge dimensions and materials.
- Avoid distractions while reloading to maintain focus and precision.
- Follow proper procedures for handling and storing reloaded ammunition.
- Be cautious when using the optional expander and primer ejector pin to prevent injury.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the BenchRest Neck Die.
- Securely attach the die to the reloading press using the 7/8 thread.
- Check that the die is properly aligned and tightened before use.

2. Usage:

- Insert the cartridge case into the guide sleeve.
- Ensure that the guide sleeve is properly aligned with the cartridge chamber.
- Slowly operate the reloading press to resize the cartridge case.
- If using the optional expander, follow the manufacturer's instructions for proper installation and use.
- After resizing, check the cartridge case for proper dimensions and fit.

3. Maintenance:

- Clean the die after each use to prevent buildup of debris.
- Store the die in a dry place to avoid rust and corrosion.
- Regularly inspect the die for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety and usage, please refer to the manufacturer's contact information provided in the product manual.

Thank you for prioritizing safety while using the BenchRest Neck Die 6mm Creedmoor. Follow these guidelines to ensure a safe and effective reloading experience.
