

# Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 6x62 Frères

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 6x62 Frères. This guide provides essential safety instructions and usage information to ensure your safe and effective use of this reloading die. Please read this guide carefully before use.

## General Safety Guidelines

- Always ensure that the BenchRest Neck Die is used in accordance with the manufacturer's instructions.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die and all components for any signs of damage or wear before use.
- Use protective eyewear when reloading to protect against potential hazards.
- Ensure that your workspace is clean and free from obstructions to avoid accidents during the reloading process.
- Familiarize yourself with the specific hazards associated with reloading ammunition, including the handling of primers and powders.

## Specific Safety Precautions for Use

- Do not exceed the recommended load limits for your specific cartridge.
- Ensure that the die is properly secured in your reloading press before use.
- Avoid wearing loose clothing or jewelry that could become caught in the reloading equipment.
- Use the die only for its intended purpose; do not modify or alter it in any way.
- Always follow safe reloading practices, including using the correct tools and components for your specific ammunition.
- If you experience any difficulties or malfunctions while using the die, stop immediately and consult the manual or seek assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your reloading press is securely mounted to a stable work surface.
- Remove any existing dies from the press.
- Carefully screw the BenchRest Neck Die into the press using the 7/8 thread until it is snug. Do not overtighten.
- Insert the interchangeable precision ground bushing as needed for your cartridge.

### 2. Usage

- Place the cartridge case into the die and ensure it is properly seated.
- Activate the press to size the cartridge case, ensuring smooth operation throughout the process.
- If using the optional expander, follow the specific instructions provided for its use.
- After sizing, remove the cartridge case and inspect it for proper dimensions and any signs of damage.
- Store the die and all components in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of any damaged or worn reloading components in accordance with local regulations.
- Do not dispose of reloading materials in general waste. Follow local guidelines for hazardous waste disposal.

- Ensure that all materials are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For assistance with the BenchRest Neck Die or to report any safety concerns, please refer to the manufacturer's contact information provided with the product. Always ensure to stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for your attention to safety and for choosing the BenchRest Neck Die 6x62 Frères. Happy reloading!
