

# Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 6mm BR Rem

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 7/8 for your reloading needs. This product is designed to provide precision and reliability when resizing cartridge cases. To ensure your safety and the proper use of this die, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Always use the BenchRest Neck Die according to the manufacturer's instructions.
- Keep the die out of reach of children and vulnerable individuals.
- Inspect the die for any damage before use. Do not use if damaged.
- Wear appropriate safety gear, including safety glasses, when operating reloading equipment.
- Store the die in a safe and dry place when not in use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the reloading press is securely mounted and stable before use.
- Use only compatible cartridge cases with the BenchRest Neck Die.
- Avoid wearing loose clothing or jewelry that may get caught in the equipment.
- Keep hands and other body parts clear of moving parts during operation.
- Do not exceed the recommended load limits for the die.
- Follow all local laws and regulations regarding reloading practices.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the BenchRest Neck Die to your reloading press using the 7/8 thread.
- Ensure the die is tightened properly to prevent any movement during operation.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Insert the cartridge case into the die, ensuring it is aligned correctly.
- Operate the reloading press to resize the cartridge case. Ensure the die and press are functioning smoothly.
- If using the optional expander or primer ejector pin, follow the specific instructions provided with those components.
- After resizing, carefully remove the cartridge case from the die.

### 3. Maintenance:

- Clean the die regularly to prevent buildup of debris and ensure optimal performance.
- Inspect the interchangeable precision ground bushing for wear and replace if necessary.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die or its components in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the BenchRest Neck Die, please refer to the manufacturer's contact details included in the product packaging or visit the manufacturer's website for additional resources.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the BenchRest Neck Die. Thank you for your attention to safety and proper usage.
