

Bench-Rest Neck Die 7/8 - Bench-Rest Neck Die 7mm-08 Rem

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

BenchRest Neck Die 7mm08 Rem Safety Instruction Guide

Introduction

Thank you for choosing the BenchRest Neck Die 7mm08 Rem. This product is designed to enhance your reloading experience by ensuring precise sizing of cartridge cases. To ensure your safety and the safety of others, please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the BenchRest Neck Die by following all instructions provided.
- Be aware of potential hazards associated with reloading, including risks of injury from improper handling.
- Always use the product in accordance with the manufacturer's guidelines to avoid accidents.
- Review and understand the safety measures applicable to your reloading environment.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when reloading.
- Ensure your workspace is clean and organized to prevent accidents.
- Do not attempt to modify the die or use it for purposes other than intended.
- Be cautious when handling reloaded ammunition, as improper handling can lead to accidental discharge.
- Regularly inspect the die and its components for wear or damage before each use.
- Follow all local laws and regulations regarding reloading and ammunition storage.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is compatible with the 7/8 thread of the die.
- Securely install the BenchRest Neck Die into the reloading press.
- Adjust the die to the desired depth according to your cartridge specifications.

2. Usage:

- Start with clean and deprimed cartridge cases.
- Insert the cartridge case into the die, ensuring it is properly aligned.
- Engage the reloading press to begin the sizing process, applying even pressure.
- If using the optional expander or primer ejector pin, follow the specific instructions provided with those components.
- After resizing, carefully remove the cartridge case and inspect it for proper sizing.

3. PostUse:

- Clean the die and its components after use to prevent corrosion and damage.
- Store the die in a safe and dry location, away from children and pets.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not dispose of the die in regular household waste; consult local guidelines for hazardous waste.

disposal if necessary.

Contact Information for Further Support

For questions regarding the BenchRest Neck Die or safety inquiries, please refer to the manufacturer's customer service or support resources. Always ensure you have the product's article number handy for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your BenchRest Neck Die 7mm08 Rem. Always prioritize safety and be proactive in addressing any concerns related to product usage. Thank you for your attention to these guidelines. Happy reloading!
