

# Seater with Crimp 7/8 - Seater with Crimp 5,6x50 R Mag.

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seater guides the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for Seater with Crimp 7/8 Seater with Crimp 5,6x50 R Mag

## Introduction

Thank you for choosing the Seater with Crimp 7/8 Seater with Crimp 5,6x50 R Mag. This product is designed to provide reliable performance in bullet seating and crimping. To ensure safe and effective use, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the workspace is clean and free from obstructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not use the product if it appears to be damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Potential hazards include injury from sharp edges and improper handling of ammunition components.
- **Avoiding Hazards:**
  - Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
  - Handle all ammunition components with care to prevent accidental discharge.
  - Ensure that the seaterhead is securely attached before use.
  - Do not exceed the manufacturer's recommended load specifications.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised when in the vicinity of this product.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that all components are clean and free from debris.
  2. Attach the seaterhead to the main body of the seater securely. Ensure it is locked in place.
  3. Adjust the seating depth according to the specifications for your specific bullet.
- **Usage:**
  - Place the cartridge case in the appropriate position.
  - Insert the bullet into the cartridge case.
  - Operate the seater according to the manufacturer's guidelines, applying consistent pressure.
  - If crimping is required, adjust the crimping mechanism as needed.
  - After use, clean the product to maintain its functionality.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of this product in regular household waste. Instead, follow your local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the manufacturer's manual or contact your local retailer for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
