Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for Seater with Crimp 7/8

Introduction

Thank you for choosing the Seater with Crimp 7/8. This product is designed for safe and efficient bullet seating. It is essential to follow the safety guidelines outlined in this manual to ensure safe use and optimal performance.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper use may lead to accidents or injuries.
 - Ensure that the seaterhead is securely attached before use.
 - Avoid using the product if it is damaged or malfunctioning.
- **Instructions for Avoiding Hazards:**
 - Always wear appropriate safety gear, such as safety glasses, when using the product.
 - Do not exceed the recommended bullet specifications for the seater.
 - Use the crimp feature only if you are familiar with its operation.
- **AgeSpecific Warnings:**
 - This product is not suitable for individuals under the age of 18.
 - Ensure that only qualified adults operate the seater.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the work area is clean and free of obstructions.
 2. Verify that all components are included and undamaged.
 3. Securely attach the seaterhead to the main body of the product.
 4. Check that the thread (7/8) is properly aligned and tightened.
- **Usage:**
 1. Place the cartridge case in the appropriate position.
 2. Insert the bullet into the guide bushing.
 3. Slowly lower the seaterhead to seat the bullet.
 4. If using the crimp feature, adjust the settings accordingly.
 5. After use, clean the product to maintain its functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the Seater with Crimp 7/8, please refer to the product manual or your point of purchase.

By following these safety instructions, you can ensure a safe and effective experience with your Seater with Crimp 7/8. Thank you for prioritizing safety.
