

# Seater with Crimp 7/8 - Seater with Crimp 300 H&H Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seater guides the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for Seater with Crimp 7/8 Seater with Crimp 300 H&H Mag

## Introduction

Thank you for choosing the Seater with Crimp 7/8 Seater with Crimp 300 H&H Mag. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read through this document carefully to understand how to use the product safely and responsibly.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all instructions provided in this guide to avoid accidents and injuries.
- In case of any malfunction, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Seater.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Use the product in a stable position to avoid any movement during operation.
- Do not exceed the recommended specifications for bullet types and cartridge cases.
- Be aware of your surroundings and ensure no one is in the vicinity when using the product.
- Do not attempt to modify or alter the product in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is securely mounted to a stable surface.
- Attach the Seater with Crimp to the reloading press using the 7/8 thread.
- Confirm that the seaterhead is properly seated and locked in place.

### 2. Usage:

- Prepare the cartridge cases according to standard reloading practices.
- Insert the bullet into the cartridge case and position it under the seater.
- Operate the reloading press to seat the bullet firmly into the case.
- If crimping is desired, adjust the seaterhead to apply the crimp as necessary.
- Inspect the finished cartridge for proper seating and crimping.

## Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Ensure that all hazardous materials are disposed of safely and responsibly.

## Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the provided manual or contact your local

distributor. It is important to have access to support for any issues that may arise during the use of this product.

Please ensure you follow these safety instructions to guarantee a safe and effective experience with the Seater with Crimp 7/8 Seater with Crimp 300 H&H Mag. Your safety is our priority.
