

# Seater with Crimp 7/8 - Seater with Crimp 300 Whisper

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seater guides the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Seater with Crimp 7/8 Safety Instruction Guide

## Introduction

Thank you for choosing the Seater with Crimp 7/8. This product is designed to provide you with precision and efficiency in bullet seating for your reloading needs. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the Seater with Crimp 7/8 is used only for its intended purpose.
- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Store the product in a dry and secure location when not in use.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use may lead to personal injury or damage to the product.
- Ensure the cartridge case is securely held in place before crimping.
- Avoid placing fingers near the seating area during operation.

- **Avoiding Hazards:**

- Do not exceed the recommended bullet seating pressures.
- Ensure the seaterhead is correctly attached before use.
- Never modify the product or use it for purposes other than intended.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18.
- Ensure that only trained and responsible adults operate the Seater with Crimp 7/8.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted.
- Attach the Seater with Crimp 7/8 to the press using the 7/8 thread.
- Verify that the seaterhead is properly installed and secured.

### 2. Usage:

- Prepare your cartridge case and bullet according to standard reloading procedures.
- Insert the bullet into the guide bushing of the seaterhead.
- Adjust the seating depth as needed for your specific load.
- If crimping is desired, ensure the crimping feature is engaged.
- Operate the press smoothly to seat the bullet without excessive force.
- After seating, inspect the cartridge to ensure proper bullet placement and crimping.

### 3. PostUsage:

- Clean the Seater with Crimp 7/8 after each use to maintain performance.
- Store the product in a safe and dry place.

## **Disposal Instructions**

- Dispose of the Seater with Crimp 7/8 in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for specific disposal guidelines.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Seater with Crimp 7/8, please refer to your retailer or the manufacturer's website for additional resources and support. It is important to stay informed about product recalls and safety updates through official channels.

By following these guidelines, you can ensure a safe and effective experience with the Seater with Crimp 7/8. Thank you for your attention to safety, and happy reloading!
