

## Bench-Rest-Seater 7/8 - Bench-Rest-Seater 5,6x50 R Mag.

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater Safety Instructions

## Introduction

Thank you for choosing the BenchRestSeater 7/8 BenchRestSeater 5,6x50 R Mag. This product is designed for precision seating of match bullets, ensuring optimal performance and accuracy. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the BenchRestSeater in accordance with the manufacturer's instructions.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use may lead to bullet runout or inaccurate seating.
- The seaterhead is replaceable; ensure it is securely attached before use.
- Use caution when handling bullets and cartridge cases to avoid injury.

- **Avoiding Hazards:**

- Always wear appropriate safety gear, such as safety glasses, when using the seater.
- Do not exceed the recommended specifications for bullet types and cartridge cases.
- Ensure a clean and organized workspace to prevent accidents.
- Avoid distractions while using the product to maintain focus.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep it away from children and untrained individuals.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the BenchRestSeater is placed on a stable and flat surface.
- Attach the seaterhead by aligning it with the guide sleeve and securing it firmly.
- Check that the guide sleeve is clean and free from debris to ensure proper function.

### 2. Usage:

- Prepare the cartridge case and bullet before starting the seating process.
- Insert the cartridge case into the guide sleeve, ensuring it is seated correctly.
- Place the bullet into the seaterhead, ensuring it is properly aligned.
- Apply steady pressure to the seaterhead to seat the bullet into the cartridge case.
- Inspect the completed cartridge for concentricity and proper seating.

### 3. **PostUsage Care:**

- Clean the product after use to maintain its performance and longevity.
- Store the BenchRestSeater in a dry and safe place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the product and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling parts where possible to minimize environmental impact.

## **Contact Information for Further Support**

For further assistance, please refer to the product manual or reach out to your local distributor. Ensure you have the product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Proper usage and care will help you achieve the best results with your BenchRestSeater. Stay safe and enjoy your precision seating experience!
