

# Bench-Rest-Seater 7/8 - Bench-Rest-Seater 6x47 Lapua

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 7/8 and 6x47 Lapua Safety Instructions

## Introduction

Thank you for choosing the BenchRestSeater 7/8 and 6x47 Lapua. This product is designed to provide the highest precision in seating match bullets. It is crucial to follow the safety instructions outlined in this guide to ensure safe and effective use. This guide complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe usage.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always read and understand the instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay updated on recall notices through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear (e.g., safety glasses) while using the BenchRestSeater.
- Ensure that the work area is welllit and free from clutter.
- Use the product on a stable surface to prevent accidental slips.
- Do not exceed the recommended specifications for the seaterhead.
- Handle the product with care to avoid injury from sharp components.
- Follow the manufacturer's instructions for selecting and replacing seaterheads to maintain optimal performance.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Product:** Carefully remove the BenchRestSeater from its packaging. Inspect all parts for any damage.
2. **Select the Correct SeaterHead:** Choose the appropriate seaterhead based on the bullet type you will be using. Refer to the manual for guidance on compatibility.
3. **Attach the SeaterHead:**
  - Align the seaterhead with the mounting point on the BenchRestSeater.
  - Securely fasten the seaterhead according to the manufacturer's instructions.

### Usage

1. **Prepare the Cartridge:** Ensure the cartridge case is clean and free from debris.
2. **Insert the Cartridge:** Place the cartridge case into the guide sleeve, ensuring it is seated properly for axial guidance.
3. **Load the Bullet:** Position the bullet into the seaterhead.
4. **Perform the Seating Operation:**
  - Gently press down on the handle to seat the bullet into the cartridge case.
  - Monitor the process to ensure proper concentricity and avoid excessive force.
5. **Inspect the Finished Cartridge:** After the bullet is seated, check for any signs of runout or misalignment.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste. Check for designated disposal facilities or recycling programs in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the BenchRestSeater, please refer to the manufacturer's contact information provided in the product packaging or manual. It is essential to have an EUbased contact for safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your BenchRestSeater 7/8 and 6x47 Lapua. Thank you for prioritizing safety and compliance with EU regulations.
