

# Bench-Rest-Seater 7/8 - Bench-Rest-Seater 7mm STW

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 7/8 Safety Instructions

## Introduction

Thank you for choosing the BenchRestSeater 7/8 for your precision seating needs. This product is designed to provide reliable performance and enhance your shooting experience. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the manual before using the product.
- Ensure that the BenchRestSeater is used in a safe environment, free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the BenchRestSeater for any damage or wear before each use.
- Follow all local laws and regulations regarding the use of reloading equipment.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the BenchRestSeater only for its intended purpose, which is to seat match bullets.
- Ensure proper handling of all components to avoid injury.
- Wear appropriate safety gear, such as safety glasses, when using the product.
- Avoid placing hands or fingers near moving parts during operation.
- Do not exceed the recommended specifications for bullet types and dimensions.
- Ensure that the seaterhead is properly secured before use.
- If you experience any unusual noise or resistance during operation, stop using the product immediately and inspect it for issues.

## Instructions for Installation and Usage

### 1. Unpacking the Product

- Carefully remove the BenchRestSeater from its packaging.
- Check for all included components: the seaterhead and guide sleeve.

### 2. Setting Up the BenchRestSeater

- Place the BenchRestSeater on a stable, flat surface.
- Ensure that the area is welllit and free from clutter.

### 3. Installing the SeaterHead

- Select the appropriate seaterhead for the bullet being used.
- Remove the existing seaterhead by loosening it from the main body.
- Attach the new seaterhead securely, ensuring it is fastened tightly.

### 4. Using the BenchRestSeater

- Insert the cartridge case into the guide sleeve.
- Position the bullet into the cartridge case.
- Slowly and steadily push down on the seaterhead to seat the bullet.
- Maintain a consistent pressure to ensure proper seating.

### 5. PostUsage Care

- Clean the BenchRestSeater after each use to remove any residue or debris.
- Store the product in a dry, safe location away from children and pets.

## **Disposal Instructions**

- Dispose of the BenchRestSeater and any worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries or support regarding the BenchRestSeater 7/8, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for prioritizing safety while using the BenchRestSeater. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
