

# Bench-Rest-Seater 7/8 - Bench-Rest-Seater 300 Whisper

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 7/8 Safety Instruction Guide

## Introduction

Thank you for purchasing the BenchRestSeater 7/8. This product is designed to provide the highest precision in seating match bullets. It is crucial to follow the safety instructions outlined in this guide to ensure safe and effective use.

## General Safety Guidelines

- Always read the instruction manual thoroughly before use.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you encounter any issues, discontinue use immediately and seek assistance.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle the BenchRestSeater with care. Avoid dropping or mishandling the product.
- **Protective Gear:** Wear appropriate protective gear, such as safety glasses, when using the product to prevent injury.
- **Work Area:** Ensure you are working in a well-ventilated area, free from flammable materials.
- **Bullet Selection:** Use only compatible bullets as specified in the manual. Using the wrong type can compromise safety and performance.
- **Seater Head Replacement:** Follow the instructions carefully when replacing the seater head to ensure proper installation.
- **Avoid Overloading:** Do not exceed the recommended specifications for bullet seating to prevent accidents.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully unpack the BenchRestSeater and check for all components. Ensure that there are no missing parts.
2. **Installation:**
  - Secure the BenchRestSeater onto a stable surface.
  - Attach the guide sleeve according to the instructions provided in the manual.
  - Ensure all components are tightly fastened before use.
3. **Bullet Seating:**
  - Insert the cartridge case into the guide sleeve.
  - Place the bullet into the seater head.
  - Gently press down to seat the bullet into the cartridge case.
  - Check for concentricity and adjust as needed.
4. **PostUse Care:**
  - Clean the BenchRestSeater after each use to maintain performance.
  - Store the product in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the BenchRestSeater and any associated materials in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for proper disposal methods for materials that may pose environmental

hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the BenchRestSeater, please refer to the manual for guidance on obtaining support.

By following these safety instructions, you can ensure a safe and effective experience with your BenchRestSeater 7/8. Thank you for your attention to these important guidelines.
