

Full Length Die 1 1/4 - Full Length Die 6mm PPC-USA

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 1 1/4 Full Length Die 6mm PPCUSA Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 6mm PPCUSA. This guide provides essential safety instructions and information for the proper use, installation, and disposal of this product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that you understand the product and its intended use before starting.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this die.
- Keep the die out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local regulations regarding the use and handling of reloading equipment.

Specific Safety Precautions for Use

- **Calibration:** Always ensure the die is correctly calibrated before use. Improper calibration can lead to unsafe ammunition.
- **Handling:** Handle the die with care. Avoid dropping or striking it against hard surfaces.
- **Installation:** Ensure that the die is securely mounted in the press before use to prevent accidents.
- **Ventilation:** Use the die in a wellventilated area to avoid inhaling any dust or particles generated during the reloading process.
- **Storage:** Store the die in a dry, cool place to prevent corrosion and damage.

Instructions for Installation and Usage

1. Installation:

- Carefully read the product manual for detailed installation instructions.
- Securely mount the die in the reloading press using the provided lock nut.
- Ensure all components, including the expander and ejector pin, are properly installed.

2. Usage:

- Insert the cartridge case into the die.
- Apply steady pressure to push the case into the die for sizing.
- After sizing, the neck of the case will be calibrated from the inside as it is removed from the die.
- Regularly check the neck tension to ensure it meets your specifications.

3. Maintenance:

- Clean the die after each use to remove any debris or residue.
- Inspect the expander and ejector pin for wear and replace if necessary.

Disposal Instructions

- Dispose of the die and any damaged components in accordance with local waste disposal regulations.
- Do not dispose of the die in regular household waste if it contains any hazardous materials.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Full Length Die 1 1/4 Full Length Die 6mm PPCUSA, please refer to the product manual for contact information. Ensure you have the article number ready for any inquiries.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the Full Length Die 1 1/4 Full Length Die 6mm PPCUSA. Always prioritize safety and consult the manual for additional information. Thank you for your attention to these important safety measures.
