

Full Length Die 1 1/4 - Full Length Die 257 Wea Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for Full Length Die 1 1/4 Full Length Die 257 Wea Mag

Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 257 Wea Mag. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die to avoid potential hazards and to ensure optimal performance.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this die.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading materials.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die for any signs of damage or wear before each use. Do not use a damaged die.
- Follow all manufacturer instructions and recommendations for the use of this die and associated equipment.
- If you encounter any issues or have concerns about the safety of the die, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges or moving parts.
 - Risk of improper sizing leading to ammunition malfunction.
 - Risk of primer explosion if not handled correctly.
- **Avoiding Hazards:**
 - Always ensure the die is securely installed in the reloading press before use.
 - Do not attempt to adjust or disassemble the die while it is in use.
 - Keep hands and tools clear of the die during operation.
 - Only use the die for its intended purpose—sizing cartridge cases.
 - Store the die in a dry, safe place to prevent rust and damage.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the reloading press is turned off and unplugged.
 2. Securely mount the Full Length Die into the reloading press using the lock nut.
 3. Adjust the die to the desired height for the cartridge case being used.
- **Usage:**
 1. Insert the cartridge case into the shell holder of the reloading press.
 2. Operate the press to push the cartridge case into the die.
 3. The die will size the cartridge case and calibrate the neck from the inside.
 4. Inspect the cartridge case for proper sizing and neck tension before proceeding with reloading.
- **Maintenance:**

- Clean the die regularly to remove any residue or debris.
- Replace any worn or damaged components, such as the expander or ejector pin, as needed.
- Follow the manufacturer's recommendations for lubrication and care.

Disposal Instructions

- Dispose of any damaged or unusable parts of the die in accordance with local regulations.
- Do not dispose of the die in household waste. Check for any recycling programs in your area.
- Ensure that all components are disposed of safely to prevent harm to the environment.

Contact Information for Further Support

For any questions or concerns regarding the Full Length Die 1 1/4 Full Length Die 257 Wea Mag, please refer to the manufacturer's manual or contact your retailer.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Full Length Die 1 1/4 Full Length Die 257 Wea Mag. Always prioritize safety and seek assistance if you have any doubts or concerns. Thank you for your attention to these important safety measures.
