

Full Length Die 1 1/4 - Full Length Die 6,5x54 Mauser

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 1 1/4 for 6,5x54 Mauser Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 1 1/4 for 6,5x54 Mauser. This product is designed to help you size cartridge cases safely and effectively. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure you understand the purpose and proper use of the die before operating it.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the die.
- Keep the work area clean and free of clutter to prevent accidents.
- Store the die out of reach of children and pets.
- Regularly inspect the die for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading and handling.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The die may have sharp edges. Handle with care to avoid cuts.
 - The die can generate metal shavings during operation. Use a vacuum or brush to clean the work area afterward.
- **Avoiding Hazards:**
 - Do not use the die if you are under the influence of drugs or alcohol.
 - Ensure that the die is properly secured in the reloading press before use.
 - Do not attempt to modify the die or use it for purposes other than intended.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18. Ensure that minors are supervised by an adult when using this product.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the reloading press is turned off and unplugged.
 2. Securely attach the Full Length Die to the reloading press using the provided lock nut.
 3. Confirm that the die is positioned correctly and locked in place.
- **Usage:**
 1. Prepare the cartridge case by cleaning it thoroughly.
 2. Insert the cartridge case into the die, ensuring it is seated properly.
 3. Engage the reloading press to size the cartridge case.
 4. After sizing, remove the cartridge case from the die.
 5. Inspect the neck tension to ensure it meets specifications.

- **Calibration:**

- Calibration occurs as the cartridge case is pushed into the die. Ensure that the neck of the case is calibrated from the inside when it is moved out of the die.

Disposal Instructions

- Dispose of the die and any associated materials in accordance with local waste disposal regulations.
- Do not dispose of the die in regular household waste if it is damaged or contains hazardous materials.
- Contact your local waste management authority for guidance on proper disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the Full Length Die 1 1/4 for 6,5x54 Mauser, please refer to the manufacturer's contact information provided in the product manual or packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the Full Length Die 1 1/4 for 6,5x54 Mauser. Always prioritize safety and feel free to consult the manual for detailed operational guidance. Thank you for your attention to safety and for choosing our product.
