

# Full Length Die 1 1/4 - Full Length Die 7x57

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

## Safety Instruction Guide

### Introduction

Thank you for your purchase of the Full Length Die 1 1/4 and Full Length Die 7x57. This guide provides essential safety instructions to ensure the proper and safe use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

### General Safety Guidelines

- Ensure safe use of the die by following all instructions provided in this manual.
- Be aware of potential risks associated with using reloading equipment, including but not limited to, personal injury and property damage.
- Always handle the die with care to avoid injury.
- Ensure that the die is used only for the intended purpose of resizing cartridge cases.
- Keep the die and all related tools out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage on the die and associated components before use.

### Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris while operating the die.
- Use gloves to protect your hands from sharp edges and potential injuries.
- Ensure that the die is securely mounted in the press before use.
- Do not exceed the recommended specifications for cartridge case resizing.
- Always follow the manufacturer's guidelines for reloading components, including powders and primers.
- Do not attempt to modify the die or its components in any way that could compromise safety.
- In case of malfunction or if the die does not perform as expected, cease use immediately and consult the manual for troubleshooting.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure that your reloading press is clean and free from debris.
- Attach the die to the press using the provided lock nut, ensuring it is securely fastened.
- Adjust the die position according to the manufacturer's specifications to ensure proper sizing of the cartridge case.

#### 2. Usage:

- Insert the cartridge case into the die and apply pressure using the reloading press.
- The neck of the case will be calibrated from the inside as it is moved out of the die.
- Monitor the resizing process to ensure that the case is forming correctly and achieving the desired neck tension.
- After resizing, inspect the cartridge case for any signs of damage or improper sizing before proceeding to the next step.

#### 3. PostUsage:

- Clean the die after use to prevent any buildup of residue or debris.
- Store the die in a safe and dry location when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die or its components in regular household waste. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Full Length Die 1 1/4 and Full Length Die 7x57, please refer to the manufacturer's contact information provided in the product packaging or manual.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Full Length Die 1 1/4 and Full Length Die 7x57. Always prioritize safety and refer back to this guide as needed. Thank you for choosing our product.
