

## Full Length Die 1 1/4 - Full Length Die 284 Win

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Full Length Die 1 1/4 Full Length Die 284 Win Safety Instruction Guide

## Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 284 Win. This guide provides important safety information to ensure the safe and effective use of this product. Please read this manual carefully before using the die to ensure a safe experience.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Full Length Die according to the instructions provided.
- **Enhanced Recalls:** Stay informed about any recalls. Check for updates regularly.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety regulations.
- **Special Consumer Focus:** Extra caution should be exercised when children are present.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact for this product.
- **Rapid Alerts:** Stay updated on product safety via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury if the die is not used correctly.
  - Potential for damage to the cartridge case if calibration is not performed properly.
- **Avoiding Hazards:**
  - Always follow the installation and usage instructions carefully.
  - Do not attempt to modify the die in any way.
  - Ensure the die is securely locked in place before use.
- **Audience Specific Warnings:**
  - This product is intended for use by adults only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the press is turned off and unplugged before installation.
- Use the lock nut to secure the die in the press at the correct position.
- Check that the die is tightened properly to avoid movement during use.

### 2. Usage:

- Insert the cartridge case into the die, ensuring it is aligned properly.
- Push the cartridge case into the die to calibrate the neck from the inside.
- Monitor the neck tension to achieve the desired results.
- If necessary, replace the expander or ejector pin by following the instructions in the manual.
- After use, clean the die to maintain its functionality.

## Disposal Instructions

- Dispose of the die responsibly according to local regulations.
- Do not dispose of the die in regular household waste. Check for recycling options or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any further assistance or inquiries regarding the Full Length Die 1 1/4 Full Length Die 284 Win, please refer to the designated EU contact for this product. Ensure you have your product details at hand for quicker support.

By following these safety instructions, you can ensure a safe and effective experience with your Full Length Die 1 1/4 Full Length Die 284 Win. Thank you for your attention to safety!
