

# Full Length Die 1 1/4 - Full Length Die 338 Win Mag

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Full Length Die 1 1/4 Full Length Die 338 Win Mag Safety Instructions

## Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 338 Win Mag. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of this product. Please read this manual carefully before using the die.

## General Safety Guidelines

- Always handle the die with care to prevent injury.
- Ensure that the die is used in accordance with the manufacturer's instructions.
- Keep the die and all related components out of reach of children and vulnerable individuals.
- Inspect the die regularly for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The die may pose risks such as pinching or cuts if not handled properly.
  - The expander and ejector pin may become dislodged if the die is not correctly calibrated.
- **Avoiding Hazards:**
  - Always ensure the die is securely locked in place before use.
  - Use appropriate personal protective equipment (PPE), such as safety glasses and gloves.
  - Do not attempt to modify the die or its components.
  - Follow proper procedures for sizing cartridge cases to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is turned off and unplugged.
- Securely attach the Full Length Die to the reloading press using the provided lock nut.
- Adjust the die position to ensure proper alignment with the press.

### 2. Usage:

- Insert the cartridge case into the die, ensuring it is seated correctly.
- Pull the press handle to size the case fully.
- Remove the case from the die and inspect for proper sizing.
- If necessary, replace the expander or ejector pin using minimal effort.

### 3. Calibration:

- Calibration occurs when the cartridge case is pushed into the die.
- The neck of the case is calibrated from the inside as it exits the die.
- Adjust the die position as needed to achieve correct neck tension.

## **Disposal Instructions**

- Dispose of the die and any damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any further assistance or inquiries regarding the Full Length Die 1 1/4 Full Length Die 338 Win Mag, please refer to the product manual or contact your local retailer or manufacturer.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience. Thank you for prioritizing safety!
