

Full Length Die 1 1/4 - Full Length Die 378 Wea Mag

The FL dies is used to size the cartridge case on full length. In addition to a removable expander our FL dies have an integrated primer ejector pin. All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut. All relevant components have an article number for easy reordering if necessary. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Full Length Die 1 1/4 Full Length Die 378 Wea Mag Safety Instruction Guide

Introduction

Thank you for choosing the Full Length Die 1 1/4 Full Length Die 378 Wea Mag. This product is designed for safe and efficient resizing of cartridge cases. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- **Product Safety:** Always ensure that the die is used according to the manufacturer's instructions. This product has been designed to meet safety standards for nonfood items.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the platform complies with EU safety regulations.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is not intended for use by those who do not understand its operation.
- **EU Contact Point:** For any safety inquiries, please refer to the contact details provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the Safety Gate system for any alerts related to this product.

Specific Safety Precautions for Use

- **Read the Manual:** Before using the die, read this safety instruction guide thoroughly.
- **Wear Protective Gear:** Always wear safety glasses and gloves when handling the die to protect against any potential hazards.
- **Check for Damage:** Inspect the die and all components before use. Do not use if damaged or worn.
- **Proper Handling:** Handle the die carefully to avoid injury. Ensure it is securely mounted in the press before use.
- **Avoid Distractions:** Do not use the die while distracted or under the influence of substances that may impair your judgment.
- **Keep Workspace Clear:** Maintain a clean and organized workspace to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is compatible with the Full Length Die 1 1/4.
- Securely attach the die to the press using the lock nut to ensure stability during operation.
- Confirm that the die is positioned correctly for resizing cartridge cases.

2. Usage:

- Insert the cartridge case into the die.
- Apply steady pressure to push the case into the die. The neck of the case will be calibrated from the inside.
- After resizing, carefully remove the cartridge case from the die.
- Inspect the resized case for proper neck tension and overall integrity.

3. Maintenance:

- Regularly clean the die to remove any debris or residue.

- If necessary, replace the expander and ejector pin with minimal effort.
- Store the die in a dry place to prevent rust and corrosion.

Disposal Instructions

- Dispose of the die and any components in accordance with local regulations.
- Do not dispose of the die in regular household waste if it contains hazardous materials.
- Check with local authorities for proper disposal methods to ensure environmental safety.

Contact Information for Further Support

For any further inquiries or assistance regarding the Full Length Die 1 1/4 Full Length Die 378 Wea Mag, please refer to the contact information provided by the retailer or manufacturer. They will be able to assist you with any questions or concerns you may have.

By following these safety instructions, you will ensure not only your safety but also the effective use of the Full Length Die 1 1/4 Full Length Die 378 Wea Mag. Thank you for your attention to these important guidelines.
