

# Bench-Rest Neck Die 1 1/4 - Bench-Rest Neck Die 7mm Rem SAUM

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRest Neck Die 1 1/4 Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRest Neck Die 1 1/4 for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the BenchRest Neck Die.

## General Safety Guidelines

- Always ensure that you are using the product in a wellventilated area.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the BenchRest Neck Die for any damage before use. Do not use if damaged.
- Follow all manufacturer instructions and guidelines for safe operation.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when using this product.
- Be aware of your surroundings and ensure that the area is clear of distractions.

## Specific Safety Precautions for Use

- Ensure that the die is compatible with the specific bullet and cartridge you are using.
- When seating bullets, always maintain a firm grip and steady hand to avoid accidents.
- Avoid excessive force during the seating operation to prevent damage to the die or injury.
- Do not attempt to modify or alter the BenchRest Neck Die in any way.
- If you experience any issues or malfunctions, stop using the product immediately and consult the manual for troubleshooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is properly set up and securely mounted.
- Remove any existing dies from the press, if applicable.
- Insert the BenchRest Neck Die into the press and secure it according to the manufacturer's instructions.
- Adjust the die to the desired position for your specific reloading needs.

### 2. Usage:

- Place the cartridge case into the shell holder of the press.
- Insert the bullet into the case mouth, ensuring it is properly aligned.
- Gradually lower the press handle to seat the bullet. Maintain a steady and controlled motion.
- After seating, check the cartridge for proper bullet seating and concentricity.
- Repeat the process for additional cartridges as needed.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the BenchRest Neck Die in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BenchRest Neck Die, please refer to the manufacturer's website or contact their customer support for assistance. Ensure that you have your product details available for a more efficient response.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your BenchRest Neck Die 1 1/4. Thank you for your attention to safety and for choosing our product.
