

# Seater with Crimp 1 1/4 - Seater with Crimp 7mm Rem Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# Safety Instruction Guide for Seater with Crimp 1 1/4 Seater with Crimp 7mm Rem Mag

## Introduction

Thank you for choosing the Seater with Crimp 1 1/4 Seater with Crimp 7mm Rem Mag. This product is designed to provide you with excellent accuracy and ease of use when seating bullets. This safety instruction guide is designed to ensure your safe usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the Seater with Crimp only with compatible bullet types.
- Ensure that the seaterhead is securely attached before use.
- Avoid applying excessive force when seating bullets to prevent injury or damage.
- Wear safety goggles to protect your eyes from any potential debris.
- Use hearing protection if you are in a noisy environment while using the product.
- Do not modify the product in any way as this may compromise safety.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the work area is clean and welllit.
- Attach the Seater with Crimp to a stable reloading press.
- Select the appropriate seaterhead for the bullet you are using.
- Securely fasten the seaterhead to the seater mechanism.
- Verify that all components are properly aligned and tightened.

### 2. Usage

- Place the cartridge case in the reloading press.
- Insert the bullet into the cartridge case.
- Activate the press to seat the bullet.
- If crimping is desired, adjust the mechanism accordingly.
- After seating, inspect the cartridge for proper seating depth and crimp.

## Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, follow designated recycling procedures.
- Ensure that any hazardous materials are handled according to safety guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the Seater with Crimp 1 1/4 Seater with Crimp 7mm Rem Mag, please refer to the manual or contact your local distributor for assistance.

By following these guidelines and instructions, you can ensure safe and effective use of the Seater with Crimp 1 1/4 Seater with Crimp 7mm Rem Mag. Thank you for prioritizing safety in your reloading activities.
