

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 6,5-284 Norma

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of “bullet runout”, there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 and 6.5284 Norma. This product is designed to ensure the highest precision in seating match bullets. To guarantee safe and effective use, please read this safety instruction guide carefully. Following these guidelines will help you avoid potential hazards and ensure optimal performance.

## General Safety Guidelines

- Always use the BenchRestSeater in accordance with the manufacturer's instructions.
- Ensure that the product is kept out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product if it is damaged or malfunctioning.
- Store the BenchRestSeater in a dry and secure location when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are wearing appropriate safety gear, such as safety glasses, when using the BenchRestSeater.
- Use the product only for its intended purpose; do not attempt to modify or alter it.
- Be cautious when handling bullets and cartridges to avoid accidental discharge.
- Ensure that the workspace is clear of any obstructions and distractions while using the product.
- Always follow proper reloading practices to minimize the risk of accidents.
- If you experience any difficulties during the seating operation, stop and consult the manual for assistance.

## Instructions for Installation and Usage

### Installation

1. **Unboxing:** Carefully remove the BenchRestSeater from its packaging. Check for all components and accessories.
2. **Setup:** Place the BenchRestSeater on a stable and flat surface. Ensure that it is securely positioned to avoid any movement during use.
3. **SeaterHead Selection:** Choose the appropriate seaterhead based on the bullet type you are using. Refer to the manual for guidance on selecting the correct head for optimal concentricity.

### Usage

1. **Preparation:**
  - Ensure that the cartridge case is clean and free from debris.
  - Insert the cartridge case into the guide sleeve of the seater.
2. **Seating Operation:**
  - Place the bullet into the cartridge case.
  - Gently lower the seaterhead onto the bullet while applying even pressure.
  - Ensure that the bullet is seated straight and flush with the cartridge case.

### 3. **Final Check:**

- After seating, inspect the cartridge for proper bullet runout and concentricity.
- If necessary, adjust the seaterhead and repeat the process until the desired results are achieved.

### 4. **Maintenance:**

- Regularly clean the BenchRestSeater to maintain optimal performance.
- Replace the seaterhead as needed to ensure continued precision.

## **Disposal Instructions**

- Dispose of the BenchRestSeater and any associated materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for recycling programs in your area.
- Ensure that any hazardous materials, such as spent cartridges, are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or maintenance of the BenchRestSeater, please refer to the product manual or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your BenchRestSeater. Thank you for prioritizing safety while using our product.
