

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 300 Rem Ultra Mag.

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 1 1/4 Safety Instruction Guide

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 for your precision bullet seating needs. This product is designed to ensure the highest level of accuracy and reliability. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read and understand the product manual before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before each use.
- Use the product only for its intended purpose as described in the manual.
- Do not modify the product in any way.
- Report any accidents or unsafe conditions to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that the work area is clean, dry, and welllit.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the product.
- Handle all components carefully to avoid injury.
- Do not exceed the recommended specifications for bullet types and sizes.
- Ensure that the seaterhead is securely attached before use.
- Avoid distractions while using the product to maintain focus and precision.
- If you experience any difficulties during use, stop and consult the manual or seek assistance.

## Instructions for Installation and Usage

### Installation

1. **Unpack the Product:** Carefully remove the BenchRestSeater from its packaging. Inspect for any visible damage.
2. **Attach the SeaterHead:**
  - Select the appropriate seaterhead for the bullet type you will be using.
  - Align the seaterhead with the mounting point on the main body.
  - Securely fasten the seaterhead using the provided mechanism.
3. **Set Up the Work Area:**
  - Place the BenchRestSeater on a stable, flat surface.
  - Ensure that all necessary tools and components are within reach.

### Usage

1. **Prepare the Cartridge:**
  - Insert the cartridge case into the guide sleeve of the seater.
  - Ensure that it is seated properly and is aligned with the guide sleeve.
2. **Seating the Bullet:**
  - Insert the bullet into the cartridge case.
  - Gently press down on the seaterhead to begin the seating process.
  - Maintain a steady pressure until the bullet is fully seated.
3. **Check Concentricity:**
  - After seating, check the bullet for concentricity.
  - If necessary, adjust your technique or choose a different seaterhead for improved results.

#### 4. Clean the Product:

- After use, clean the BenchRestSeater to remove any debris or residue.
- Store the product in a dry place to prevent corrosion.

## Disposal Instructions

- Dispose of any packaging materials according to local regulations.
- If the product is no longer usable, dispose of it in accordance with local waste management guidelines.
- Consider recycling components where possible.

## Contact Information for Further Support

For any questions or concerns regarding the BenchRestSeater 1 1/4, please refer to the product manual for guidance or seek assistance from a qualified professional.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your precision seating with the BenchRestSeater 1 1/4!
