

# Bench-Rest-Seater 1 1/4 - Bench-Rest-Seater 375 Blaser Mag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity. Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly. You will find further instructions and assistance in selecting accessories and spare parts in the manual.

# BenchRestSeater 1 1/4 BenchRestSeater 375 Blaser Mag Safety Instructions

## Introduction

Thank you for choosing the BenchRestSeater 1 1/4 BenchRestSeater 375 Blaser Mag. This product is designed to provide the highest precision in seating match bullets. To ensure safe and effective use, please read these safety instructions carefully.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when using the product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local regulations regarding the handling and use of reloading equipment.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The product may present risks of injury if not used properly.
  - Improper seating of bullets can lead to misfires or accidents.
- **Avoiding Hazards:**
  - Always ensure the cartridge case is properly aligned before seating the bullet.
  - Do not exceed the recommended specifications for bullet types and weights.
  - Store the product in a dry, secure location when not in use.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised if they are present during its use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the BenchRestSeater is securely mounted on a stable surface.
- Attach the appropriate seater head for the bullet type you are using. Refer to the manual for guidance on selecting the correct head.

### 2. Usage:

- Place the cartridge case into the guide sleeve, ensuring it is seated correctly.
- Insert the bullet into the case, ensuring it is aligned properly.
- Slowly and steadily apply pressure to the seaterhead to seat the bullet. Monitor for any resistance that may indicate misalignment.
- After seating, check the bullet for proper concentricity.
- Always handle the product with care and avoid any sudden movements that could cause injury.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult the product manual or contact your local distributor for assistance.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the BenchRestSeater 1 1/4 BenchRestSeater 375 Blaser Mag. Always prioritize safety and consult the manual for detailed guidance on product usage and maintenance. Thank you for your attention to these important safety measures.
