

# ACC Premier Gen 2 System - CZ 457 - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available. Upgrade your rifle with ease and hit the range in no time. Simply drop your action into place and tighten two screws. No need for complicated gunsmithing.

# Safety Instruction Guide for ACC Premier Gen 2 System CZ 457 RH

## Introduction

Thank you for choosing the ACC Premier Gen 2 System for your CZ 457 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage. Do not use if damaged.
- Report any unsafe conditions or accidents involving the product to the appropriate authorities.
- Stay informed about product recalls or safety alerts through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Do not exceed the manufacturer's specifications for weight and accessories.
- Ensure that the rifle is unloaded before installation or maintenance.
- Be cautious when adjusting the hand position, cheek weld, and length of pull to avoid pinching or injury.
- Do not attempt to modify the chassis system beyond the manufacturer's recommendations.
- Use the integrated ARCA rail only with compatible bipods and tripods to ensure stability.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and safe to handle.
- Place the action of your CZ 457 into the chassis system.
- Secure the action by tightening the two screws provided. Ensure they are tight but do not overtighten, as this may cause damage.
- Check that the action is securely in place before proceeding.

### 2. Usage:

- Adjust the length of pull, hand position, and cheek weld to suit your personal comfort and shooting style.
- Use the fulllength integrated ARCA rail to mount bipods or tripods as needed for stability.
- Practice safe shooting techniques and ensure you are familiar with the operation of your rifle and chassis system.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the ACC Premier Gen 2 System, please consult your local dealer or visit the manufacturer's website for additional support and information.
