

Universal Binocular Holder

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Some binoculars are not compatible with the standard Bino Holder. For those cases, we offer a solution that provides the same benefits and a stable image: the Universal Binocular Holder a robust and versatile piece of gear that securely clamps onto almost any binocular.

This universal design fits binocular tubes ranging from 25 mm to 65 mm. With its Arca-style baseplate, it integrates seamlessly into your existing Arca-style ecosystem.

Universal Binocular Holder Safety Instruction Guide

Introduction

Thank you for choosing the Universal Binocular Holder. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the Universal Binocular Holder is used only for its intended purpose.
- Always inspect the holder for any damage or wear before use.
- Keep the holder away from children and vulnerable individuals when not in use.
- Follow all local regulations regarding the use of binoculars and related equipment.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that your binoculars are compatible with the Universal Binocular Holder, which fits binocular tubes ranging from 25 mm to 65 mm.
- **Stability:** Always ensure that the holder is securely clamped onto the binoculars before use to avoid accidents.
- **Surface:** Use the holder on stable and flat surfaces to prevent tipping or falling.
- **Weather Conditions:** Avoid using the holder in extreme weather conditions that may affect stability or visibility.
- **Storage:** Store the holder in a dry place to prevent damage from moisture.

Instructions for Installation and Usage

1. Installation:

- Open the clamp of the Universal Binocular Holder.
- Place your binoculars into the clamp, ensuring the tubes fit securely within the range of 25 mm to 65 mm.
- Close the clamp tightly to secure the binoculars in place.
- Attach the holder onto your tripod or other mounting systems using the Arcastyle baseplate.

2. Usage:

- Adjust the holder to your desired angle for optimal viewing.
- Ensure that the binoculars are stable and secure before looking through them.
- Avoid excessive force when adjusting the position of the binoculars to prevent damage.

Disposal Instructions

- Dispose of the Universal Binocular Holder in accordance with local waste management regulations.
- Do not dispose of the holder in regular household waste if it contains electronic components.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any inquiries or further assistance regarding the Universal Binocular Holder, please reach out to the designated contact point provided by the manufacturer. Ensure that you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy your experience with the Universal Binocular Holder!
