

Forend Tip Weight ACC Premier GEN 2

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Weights](#)

Lightweight barrels and rifles, like rimfire builds, can sometimes feel a bit rear-heavy. Weighing just 0.12kg, the MDT Forend Tip Weight is a simple solution to balance your rifle without significantly increasing the overall weight. Properly balancing your competition rifle is crucial for fast target acquisition and more accurate follow-up shots. The integrated M-LOK slot allows for attaching additional weights further towards the tip, making an even greater impact on your rifle's balance.

Forend Tip Weight Safety Instruction Guide

Introduction

Thank you for choosing the MDT Forend Tip Weight, designed to enhance the balance of your rifle. This guide provides essential safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the Forend Tip Weight.
- Ensure the product is compatible with your specific rifle model.
- Regularly inspect the Forend Tip Weight for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to instability while aiming or shooting.
 - Excessive weight may affect the handling of the rifle.
- **Avoiding Hazards:**
 - Ensure the Forend Tip Weight is securely attached before use.
 - Do not exceed the recommended weight limits for your rifle.
 - Always check the balance of your rifle after installation.
- **Agesspecific Warnings:**
 - This product is intended for use by adults only. Keep away from children.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Locate the MLOK slot on the forend of your rifle.
- Align the Forend Tip Weight with the MLOK slot.
- Use the appropriate tools to secure the weight firmly in place.
- Doublecheck that the weight is securely attached before proceeding.

2. Usage:

- Once installed, practice should be done to become accustomed to the new balance.
- Monitor how the added weight affects your shooting stance and aim.
- Make adjustments as necessary to maintain comfort and control.

Disposal Instructions

- Dispose of the Forend Tip Weight in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check with local authorities for proper recycling or disposal methods.
