

JAE-G5 - Chassis - Remington 700 - SA - RH

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The fit and feel of a rifle can make the difference between winning and losing in competition. The MDT JAE-G5 Chassis provides extensive adjustment options, including barricade stop position, magazine latch height, cheek rest height, and length of pull. It also includes both a vertical and angled grip, allowing for optimal hand positioning.

The adjustable magazine latch enables you to fine-tune the magazine placement, effectively eliminating any feeding issues. For rimfire shooters, the JAE comes with two magazine dowels to ensure a snug magazine fit.

Beyond functionality, the MDT JAE-G5 Chassis is a visual masterpiece. Its traditional shape combined with modern design elements creates a unique, eye-catching appearance. It stands as a testament to innovative design, seamlessly blending form and function.

One of the standout features of the MDT JAE-G5 Chassis is the rubber gasket between the stock's panels and the aluminum core. This innovation dampens unwanted vibrations, giving the chassis a dense, solid feel during shooting. This ensures absolute stability, allowing you to maintain precise control and focus without distractions.

Upgrading your rifle is simple and hassle-free. Just drop your action into place, tighten two screws, and you're ready to hit the range—no complicated gunsmithing required.

JAEG5 Chassis Safety Instruction Guide

Introduction

Thank you for choosing the JAEG5 Chassis for your Remington 700 rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with all relevant safety regulations.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep the chassis and all related accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Use only compatible components and accessories with the JAEG5 chassis.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Use the chassis only for its intended purpose as specified in this manual.
- Ensure that the rifle is securely mounted in the chassis before use.
- Adjust all components (e.g., cheek rest height, magazine latch height) in a safe environment away from others.
- When adjusting the chassis, ensure that your hands are clear of moving parts to avoid injury.
- If using the chassis in competitive settings, familiarize yourself with the rules and regulations of the event.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.

Instructions for Installation and Usage

Installation

1. **Preparation:** Gather all necessary tools, including a screwdriver.
2. **Remove the Action:** Carefully detach the action from your Remington 700 rifle.
3. **Insert into Chassis:** Place the action into the JAEG5 chassis, ensuring it fits snugly.
4. **Secure the Action:** Tighten the two screws provided to secure the action in place.
5. **Adjust Components:** Adjust the barricade stop position, magazine latch height, cheek rest height, and length of pull to your preference.
6. **Check Stability:** Ensure the chassis is stable and secure before proceeding to use.

Usage

- Before shooting, doublecheck that all adjustments are secure and that the magazine is properly placed.
- Maintain a proper shooting stance and grip for optimal control.
- Practice good shooting etiquette and ensure a safe environment for yourself and others.

Disposal Instructions

- Dispose of the chassis and any associated materials in accordance with local regulations.
- Consider recycling materials where possible to reduce environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the JAEG5 chassis, please consult the manufacturer or your point of purchase for assistance. It is important to ensure that you have access to support should you need it.

By following these guidelines, you will help ensure a safe and enjoyable experience with your JAEG5 Chassis. Thank you for prioritizing safety and responsible firearm handling.
