

## JAE Internal Weights - JAE G5 - 2 Pack

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Weights](#)

Add extra weight to the forend of your rifle, shifting the balance point forward on an otherwise rear-heavy rifle. A balanced rifle means more stability and control, enabling you to get on target faster and make quick follow-up shots.

# JAE Internal Weights Safety Instruction Guide

## Introduction

Thank you for choosing the JAE Internal Weights JAE G5. This product is designed to enhance the balance of your rifle, allowing for improved stability and control. It is essential to follow all safety guidelines and instructions to ensure the safe and effective use of this product.

## General Safety Guidelines

- Ensure that the JAE Internal Weights are installed correctly before use.
- Only use the product with compatible rifle models.
- Regularly inspect the weights for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle the weights with care to avoid injury.
- Do not exceed the recommended weight limits for your rifle model.
- Ensure that the rifle is unloaded before installing or adjusting the weights.
- Follow manufacturer guidelines for installation and usage.
- Be aware of your surroundings and maintain control of your rifle at all times.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### 2. Installation:

- Locate the designated forend area on your rifle.
- Carefully attach the JAE Internal Weights according to the manufacturer's instructions.
- Ensure that the weights are securely fastened and do not move when the rifle is handled.

### 3. Usage:

- After installation, practice handling the rifle to become accustomed to the new balance.
- Always check the weights before each use to ensure they are secure.
- Make any necessary adjustments to improve comfort and control.

### 4. PostUsage:

- After use, store the rifle in a safe and secure location.
- Regularly check the weights for any signs of wear or damage.

## Disposal Instructions

- Dispose of the JAE Internal Weights in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the JAE Internal Weights, please reach out to the designated EUbased contact point for safety inquiries. It is important to stay informed about any product recalls or safety alerts.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your JAE Internal Weights responsibly!
