[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT Chassis CRBN Hunter Kit for your Remington700. This guide provides essential safety instructions to ensure the safe use of the product. Please read this guide carefully before using the chassis to understand the potential hazards and how to avoid them.

### General Safety Guidelines

- Ensure that the MDT Chassis is used only for its intended purpose.
- Always handle firearms and firearm accessories with care.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Store the chassis in a safe, dry place when not in use.
- Be aware of your surroundings and ensure that you are in a safe environment when using the chassis.
- Follow all local laws and regulations regarding firearm use.

### Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the rifle is unloaded before attaching or detaching the chassis.
- Do not modify the chassis in any way that may compromise its integrity or safety.
- Avoid using the chassis in extreme weather conditions that may affect its performance.
- Be cautious of the weight of the rifle when mounted on the chassis, as it may affect balance and stability.
- Use the integrated ARCA rail and MLOK slots only for compatible accessories.
- Ensure that all accessories are securely attached before using the rifle.

### Instructions for Installation and Usage

#### 1. Installation of the Chassis:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Attach the MDT CRBN Chassis to the Remington700 according to the manufacturer's specifications.
- Use the magnesium micro chassis with Vblock bedding for secure installation.
- Confirm that the action is stable and securely installed.

#### 2. Adjusting Length of Pull:

- Use the provided spacers to adjust the length of pull as needed for comfort.
- Ensure that the adjustments are securely tightened before use.

#### 3. Using the Integrated ARCA Rail:

- Attach bipods or tripods to the ARCA rail according to the accessory's instructions.
- Ensure that attachments are secure to prevent accidents during use.

#### 4. Using MLOK Slots:

- Attach MLOK accessories as per the manufacturer's guidelines.
- Check for secure fittings before use.

#### 5. Comfort and Ergonomics:

- Utilize the integrated thumb shelf for better control and comfort.
- Use the front and rear QD cups to attach QD slings for added convenience.

#### **6. PostUse Care:**

- After use, clean the chassis and inspect for any damage or wear.
- Store the chassis in a safe location away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the MDT Chassis in accordance with local regulations regarding the disposal of composite materials.
- Do not incinerate or expose the chassis to extreme heat, as this may release harmful substances.
- Consider recycling options for carbon fiber materials where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Chassis CRBN Hunter Kit, please refer to the product packaging for contact details. It is important to reach out for assistance if you encounter any issues or require further guidance on safe usage.

## **Conclusion**

Your safety is our priority. By following the guidelines outlined in this manual, you can ensure a safe and enjoyable experience with your MDT Chassis CRBN Hunter Kit. Always prioritize safety and responsibility when handling firearms and accessories. Thank you for choosing MDT.
