Polymer Magazines: Quiet, Reliable, and Built for Performance

Our polymer magazines offer a quiet, dependable, and low-maintenance solution, allowing you to stay focused on what truly matters—making the shot. Designed for compatibility with short action AICS mag wells, these magazines are crafted to perform with a range of stocks and chassis systems. Supporting popular calibers like 6mm ARC and .22 ARC, each magazine holds a 10-round capacity, providing the perfect balance between weight and reliability. Get the durability and ease of use you need in any shooting scenario with our premium polymer magazines.

Safety Instruction Guide for 6mm ARC 10&12 RND Polymer Mags MDT Polymer Gen 2

Introduction

Thank you for choosing the MDT Polymer Gen 2 magazines for your shooting needs. These polymer magazines are designed for performance, reliability, and ease of use. This safety instruction guide provides essential information to ensure safe handling, installation, and usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always handle firearms and magazines with care, following all safety protocols.
- Store magazines in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect magazines for signs of wear or damage before use.
- Keep magazines out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always check that the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify or disassemble the magazine.
- Avoid using the magazine with ammunition that exceeds its specified capacity.
- Do not expose the magazine to extreme temperatures or harsh chemicals.
- Use only recommended calibers (6mm ARC, .22 ARC) for the magazine to ensure safe operation.
- If the magazine malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it locks into place with an audible click.

2. Usage:

- Load the magazine by inserting rounds into the feed lips, ensuring they are seated properly.
- To remove the magazine, press the magazine release button and pull the magazine out of the well.
- Always keep your finger off the trigger until you are ready to shoot.

3. Maintenance:

- Clean the magazine regularly with a soft cloth to remove dirt and debris.
- Inspect the magazine for any cracks or deformities after each use.
- Store the magazine in a protective case when not in use.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic waste.
- Do not incinerate the magazine as it may release harmful chemicals.
- If the magazine is damaged or no longer functional, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's website or customer service channels.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your MDT Polymer Gen 2 magazines. Thank you for prioritizing safety.
