

OBI Slide Lock - BLK

[Shooting Accessories](#) > [Duty Gear](#)

The Slide Lock is the ideal solution for securely and flexibly attaching gear to a backpack strap, belt, or MOLLE system.

1. Easy Attachment: Weave the strap through the back of the Slide Lock for a secure and stable connection.
2. Flexible Orientation: Can be mounted vertically or horizontally.
3. MOLLE Compatible: Perfect for MOLLE systems, but also works with smooth 1-inch straps.
4. Fits 1-Inch Straps: Designed to fit 1-inch straps and webbing.
5. Note: May have reduced hold with thinner strap materials.

OBI Slide Lock Safety Instructions

Introduction

Thank you for choosing the OBI Slide Lock. This product is designed to securely and flexibly attach gear to a backpack strap, belt, or MOLLE system. Please read this safety instruction guide carefully to ensure safe and effective use of the Slide Lock.

General Safety Guidelines

To ensure your safety and the proper functioning of the OBI Slide Lock, please adhere to the following guidelines:

- **Product Safety:** This product has been designed to meet safety standards for nonfood items. Always use it as intended to avoid risks.
- **Enhanced Recalls:** Stay informed about any potential recalls. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Ensure that the Slide Lock is not used by children without adult supervision, as small parts may pose a choking hazard.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by the retailer.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides updates on unsafe products.

Specific Safety Precautions for Use

To maximize safety while using the OBI Slide Lock, observe the following precautions:

- **Check Compatibility:** Ensure that the Slide Lock is compatible with your gear and straps. It is designed for 1inch straps and webbing.
- **Inspect Before Use:** Always inspect the Slide Lock for any signs of wear or damage before use. Do not use if damaged.
- **Avoid Overloading:** Do not exceed the weight limit for the Slide Lock. Overloading can cause failure.
- **Use Properly:** The Slide Lock must be used with at least one Clamp Lock or Slide Lock, as well as an RP M, QD P, or Anywhere Mount for secure attachment.
- **Thinner Straps:** Be cautious when using thinner strap materials, as hold may be reduced.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the OBI Slide Lock:

1. Attachment:

- Weave the strap through the back of the Slide Lock to create a secure connection.
- Ensure that the strap is threaded completely through the Slide Lock.

2. Orientation:

- The Slide Lock can be mounted either vertically or horizontally based on your preference and the design of your gear.

3. Testing:

- After installation, gently tug on the Slide Lock to ensure it is securely fastened.
- Check that the gear is stable and does not shift during use.

4. **Regular Maintenance:**

- Periodically check the Slide Lock and straps for signs of wear and tear. Replace parts as necessary to maintain safety.

Disposal Instructions

When disposing of the OBI Slide Lock, please follow these guidelines:

- **Environmental Considerations:** Dispose of the product in accordance with local regulations regarding plastic and electronic waste.
- **Recycling:** If possible, recycle the Slide Lock and its packaging materials to reduce environmental impact.

Contact Information for Further Support

For any inquiries regarding the OBI Slide Lock, including safety concerns or product support, please refer to the contact information provided by the retailer from which you purchased the product.

By following these safety instructions, you can ensure a secure and enjoyable experience with your OBI Slide Lock. Thank you for prioritizing safety!
