

# Bow Post 1

[Shooting Accessories](#) > [Duty Gear](#)

The Bow Post replaces the arrow rest bolt on your bow, offering a versatile solution for attaching your bow to a Clamp Lock on your belt or backpack. This innovative accessory enhances your outdoor experience, making hiking and glassing more enjoyable and hassle-free.

1. Arrow Rest Bolt Replacement: The Bow Post seamlessly replaces the standard arrow rest bolt on your bow.
2. Universal Compatibility: Features 5/16-24 threads, ensuring compatibility with most bows.
3. Connects to Lock and Grip-On Families: Effortlessly integrates with the Lock family (e.g., Clamp Lock) and Grip-On family for maximum versatility.

Choosing the Right Bow Post:

4. Shorter is Better: Use the shortest Bow Post that fits your setup.
5. For Parallel Arrow Quivers: If your quiver runs parallel to your bow, ensure the Bow Post is long enough to extend beyond your arrow shafts. Usually, a 1.5" or 2" Bow Post is ideal.
6. For Perpendicular or Offset Quivers: If your quiver is perpendicular or offset from your arrow rest bolt, a 1" Bow Post is typically sufficient.

Recommended Accessories:

7. Clamp Lock with Tek-Lok: For belt attachment, the Tek-Lok version offers superior stability compared to the standard Clamp Lock.

Additional Use Case:

8. The Bow Post is also a handy tool for organization. Pair it with a Camera Lock to mount your bow on the wall, keeping your workspace tidy and your equipment easily accessible.

Elevate your bow setup with the Bow Post—functional, reliable, and designed for adventure.

# Bow Post Safety Instructions

## Introduction

Thank you for choosing the Bow Post. This innovative accessory is designed to enhance your outdoor experience by providing a reliable solution for attaching your bow to a Clamp Lock on your belt or backpack. To ensure safe and effective use of the Bow Post, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** The Bow Post is designed for safe use with bows. Ensure that you follow the guidelines provided to minimize any risks associated with its use.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Please stay informed about any updates regarding the Bow Post.
- **Online Shopping:** If you purchased the Bow Post online, know that you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** The Bow Post is not intended for children. Ensure that it is used only by responsible adults.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point for assistance.
- **Rapid Alerts:** Stay updated on any safety alerts related to the Bow Post by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Identification of Potential Hazards:**
  - Ensure that the Bow Post is properly installed to avoid accidents.
  - Avoid using the Bow Post if it shows signs of damage or wear.
- **Avoiding Hazards:**
  - Always check the compatibility of the Bow Post with your specific bow model before installation.
  - Use the correct length of Bow Post for your setup to prevent interference with your quiver or arrow shafts.
  - Do not exceed the recommended weight limit when attaching your bow to the Clamp Lock or backpack.
- **Age Specific Warnings:**
  - This product is designed for adult use only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing arrow rest bolt from your bow.
- Take the Bow Post and align it with the mounting hole on your bow.
- Secure the Bow Post by tightening it with the appropriate tool, ensuring it is firmly in place.

### 2. Usage:

- Attach your bow to the Clamp Lock or GripOn family accessory.
- When using the Bow Post, ensure that it does not obstruct your quiver or arrow shafts.
- For optimal use:
  - Use the shortest Bow Post that fits your setup.
  - If your quiver runs parallel to your bow, a 1.5" or 2" Bow Post is recommended.
  - If your quiver is perpendicular or offset, a 1" Bow Post is typically sufficient.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If you need to dispose of the Bow Post, please follow local waste disposal guidelines for nonhazardous materials. Do not throw it in the regular trash if it is damaged or no longer usable.

## **Contact Information for Further Support**

For any questions or concerns regarding the Bow Post, please consult the appropriate support channels available in your region.

Thank you for your attention to these safety instructions. Enjoy your outdoor adventures with the Bow Post!
