# UPlate Safety Instruction Guide

## Introduction

Thank you for choosing the UPlate Arca BLK. This versatile replacement part is designed to integrate seamlessly with the Lock and GripOn families. To ensure safe and effective use of the UPlate, please read this safety instruction guide carefully. It provides essential information on general safety guidelines, specific precautions, installation instructions, and disposal methods.

## General Safety Guidelines

- Always use the UPlate in accordance with the manufacturer's instructions.
- Inspect the UPlate for any visible damage before each use. Do not use if damaged.
- Ensure that the UPlate is securely attached before using any equipment mounted on it.
- Keep the UPlate out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Secure Attachment:** Always use the four small bolts provided to attach the UPlate securely. Ensure that the bolts are tightened adequately to prevent any accidental disconnection.
- **Adjustable Orientation:** When mounting the UPlate, choose the orientation that best suits your setup. Ensure that the plate is stable in the selected position.
- **MultiLock Compatibility:** Verify that the UPlate is compatible with your Clamp Lock, Slide Lock, or Camera Lock systems before installation.
- **GripOn Integration:** Ensure that your GripOn family equipment is compatible with the UPlate for enhanced versatility.
- **Avoid Overloading:** Do not exceed the weight limit of the UPlate. Check the manufacturer's specifications for weight limits to avoid accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a screwdriver and the four small bolts provided.
- Ensure that the work area is clean and free of clutter.

### 2. Installation:

- Position the UPlate in the desired location.
- Align the UPlate with the mounting system (Clamp Lock, Slide Lock, or Camera Lock).
- Insert the four small bolts into the designated holes.
- Use a screwdriver to tighten the bolts securely. Ensure the UPlate is stable and does not wobble.

### 3. Usage:

- After installation, check that all connections are secure.
- Adjust the UPlate orientation as needed for your specific setup.
- Regularly inspect the UPlate during use to ensure continued safety and stability.

## **Disposal Instructions**

- Dispose of the UPlate in accordance with local regulations.
- Do not dispose of the UPlate in regular household waste if it contains electronic components.
- Consider recycling options for the UPlate and its packaging materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the UPlate, please contact the manufacturer or refer to the product documentation provided with your purchase.

Stay safe and enjoy the versatility and functionality of your UPlate Arca BLK!
