

# OBi Moccasins RRS

[Shooting Accessories](#) > [Duty Gear](#)

The OBi Moccasins are the ultimate upgrade for your precision tripod, offering superior stability and grip in any environment. Designed with just the right amount of aggression and a broad surface area, they dig into sand, mud, and dirt without sinking or slipping. Despite their robust performance, they maintain a low profile, adding minimal height and weight to your tripod.

1. Enhanced Stability: Provides a secure and stable platform in challenging conditions like sand, mud, or dirt.
2. Lightweight and Compact: Adds minimal weight and height to your tripod setup for convenience and portability.
3. Universal Threading Options: Available in two threading options—16-2 metric (Feisol) and 3/8-16 (RRS)—to fit a wide range of tripods.
4. Secure Fastening: Includes a tension washer to prevent unwanted loosening during use.

# OBI Moccasins Safety Instruction Guide

## Introduction

Thank you for choosing the OBi Moccasins, designed to enhance the stability and grip of your precision tripod. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this document carefully before use.

## General Safety Guidelines

- **Product Safety:** The OBi Moccasins are designed to ensure safe use in various environments. Always inspect for damage before use.
- **Enhanced Recalls:** Stay informed about product recalls. In case of any safety alerts, follow the instructions provided by the manufacturer.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** The OBi Moccasins are not intended for children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the product packaging or the manufacturer's website.
- **Rapid Alerts:** Sign up for updates regarding product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Inspect Before Use:** Always check the moccasins for signs of wear or damage before attaching them to your tripod.
- **Proper Attachment:** Ensure the moccasins are securely fastened to the tripod using the included tension washer to prevent loosening during use.
- **Avoid Overloading:** Do not exceed the weight limit of your tripod when using the OBi Moccasins.
- **Use in Suitable Conditions:** While designed for stability in sand, mud, and dirt, avoid using the moccasins in extreme weather conditions to prevent accidents.
- **Regular Maintenance:** Clean the moccasins regularly to maintain grip and performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your tripod is on a stable surface.
- Remove any existing feet or attachments from the tripod.
- Align the OBi Moccasins with the tripod's threading.
- Securely fasten the moccasins using the appropriate threading option (162 metric or 3/816).
- Tighten the tension washer to prevent loosening during use.

### 2. Usage:

- Position your tripod on the desired surface (sand, mud, or dirt).
- Adjust the tripod legs to achieve the desired height and angle.
- Ensure that the tripod is stable before placing any equipment on it.
- If using in wet conditions, periodically check the stability of the setup.

## Disposal Instructions

- Dispose of the OBi Moccasins in accordance with local regulations for plastic and rubber products.
- Do not dispose of them in household waste. Check for recycling programs in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the OBi Moccasins, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

Thank you for your attention to these safety instructions. Enjoy your OBi Moccasins and the enhanced stability they provide for your tripod!
