

# OBi Moccasins Feisol

[Shooting Accessories](#) > [Duty Gear](#)

The OBi Moccasins are the ultimate upgrade for your precision tripod, offering superior stability and grip in any environment. Designed with just the right amount of aggression and a broad surface area, they dig into sand, mud, and dirt without sinking or slipping. Despite their robust performance, they maintain a low profile, adding minimal height and weight to your tripod.

1. Enhanced Stability: Provides a secure and stable platform in challenging conditions like sand, mud, or dirt.
2. Lightweight and Compact: Adds minimal weight and height to your tripod setup for convenience and portability.
3. Universal Threading Options: Available in two threading options—16-2 metric (Feisol) and 3/8-16 (RRS)—to fit a wide range of tripods.
4. Secure Fastening: Includes a tension washer to prevent unwanted loosening during use.

# OBi Moccasins Safety Instruction Guide

## Introduction

Thank you for choosing OBi Moccasins. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure that you can safely and effectively use your OBi Moccasins with your precision tripod. Please read this guide carefully before use.

## General Safety Guidelines

- Always ensure that your tripod is stable and secure before attaching the OBi Moccasins.
- Regularly inspect the OBi Moccasins for any signs of wear or damage.
- Do not use the OBi Moccasins in conditions that exceed their designed capabilities.
- Keep the OBi Moccasins out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Enhanced Stability:** Ensure that the surface where you are using the tripod is stable and free from obstructions.
- **Weight Capacity:** Confirm that your tripod can support the combined weight of the tripod and any equipment attached to it.
- **Surface Conditions:** Avoid using the OBi Moccasins in environments where they may become submerged in water or unstable ground.
- **Avoid Slipping:** When using the OBi Moccasins on soft surfaces like sand or mud, be cautious to prevent slipping or tipping.
- **Secure Fastening:** Always check that the tension washer is properly installed to prevent loosening during use.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the threading option suitable for your tripod: either 162 metric (Feisol) or 3/816 (RRS).
- Align the OBi Moccasins with the tripod's mounting point.
- Securely fasten the OBi Moccasins using the appropriate threading option, ensuring a tight fit.
- Install the tension washer to prevent any unwanted loosening during use.

### 2. Usage:

- Place your tripod on a flat, stable surface before attaching any equipment.
- When using the tripod in soft ground, ensure the OBi Moccasins are properly engaged to maximize grip.
- Regularly check the stability of the tripod during use, especially in changing environmental conditions.

## Disposal Instructions

- Dispose of the OBi Moccasins in accordance with local regulations.
- Do not dispose of the OBi Moccasins in regular household waste if they contain any hazardous materials.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the official contact points provided by the manufacturer or retailer from whom you purchased the OBi Moccasins.

Thank you for your attention to these safety instructions. Enjoy the enhanced stability and performance that OBi Moccasins provide for your precision tripod!
