

Stax Bar

[Shooting Accessories](#) > [Duty Gear](#)

The OBi Stax Bar is the foundation of the Die Stax System, designed to bring order and efficiency to your reloading room. Whether mounted on a wall or resting on a countertop, the Stax Bar supports the Stax Block, making it an essential part of this innovative organization system.

1. Essential Foundation: The first component required to build your Die Stax System.
2. Dual Installation Options: Can be bolted to the wall or placed on a countertop for flexible setup.
3. Stax Compatibility: Fully compatible with all other Stax products, allowing seamless integration.

Stax Bar Safety Instructions

Introduction

Thank you for choosing the OBi Stax Bar, a key component of the Die Stax System. This guide provides important safety information and instructions to ensure the safe and effective use of the Stax Bar. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the Stax Bar is used only for its intended purpose as part of the Die Stax System.
- Regularly inspect the Stax Bar and associated components for any signs of wear or damage before use.
- Store the Stax Bar in a dry place away from direct sunlight to prevent deterioration.
- Keep the product out of reach of children and vulnerable individuals to avoid accidents.

Specific Safety Precautions for Use

- **Installation Safety:**
 - When mounting the Stax Bar on a wall, ensure that it is secured properly to avoid falling.
 - Use appropriate hardware for wall mounting based on the wall type (e.g., drywall, concrete).
- **Countertop Use:**
 - When placing the Stax Bar on a countertop, ensure that it is stable and not at risk of tipping over.
 - Always use at least one Stax Drop for added stability when using the Stax Bar on a countertop.
- **Compatibility:**
 - Ensure that all Stax Blocks used with the Stax Bar are compatible and securely attached.
- **Weight Limits:**
 - Do not exceed the recommended weight limits for the Stax Bar and Stax Blocks to prevent failure.

Instructions for Installation and Usage

- 1. Installation:**
 - Choose a suitable location for the Stax Bar, either on a wall or a countertop.
 - For wall mounting:
 - Mark the desired height and position for the Stax Bar.
 - Drill holes and install wall anchors if necessary.
 - Secure the Stax Bar to the wall using appropriate screws.
 - For countertop placement:
 - Ensure the surface is clean and level.
 - Place the Stax Bar on the countertop, ensuring it is stable.
 - Attach at least one Stax Drop to the base for stability.
- 2. Usage:**
 - Organize your die sets using the Stax Blocks, ensuring they are securely placed on the Stax Bar.
 - Regularly check the stability of the setup, especially if moved or if additional components are added.
 - If you notice any instability or damage, disassemble the setup and inspect for issues.

Disposal Instructions

- Dispose of the Stax Bar and any associated components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options for plastic and metal components.
- Ensure that all components are disposed of safely to prevent harm to the environment.

Contact Information for Further Support

For any questions or concerns regarding the Stax Bar, please refer to the manufacturer's contact details included with your product packaging.

Please remember to report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Thank you for prioritizing safety while using the OBi Stax Bar.
