

Stax Block 10

[Shooting Accessories](#) > [Duty Gear](#)

The OBi Stax Block 10 is a versatile and efficient tool for organizing your reloading dies and accessories, helping to keep your reloading room clean and orderly. As the most commonly used block in the Die Stax System, it holds up to 10 reloading dies and accommodates a combination of up to 10 Allen wrenches or decapping pins.

1. Die Organization: Securely organizes up to 10 reloading dies.
2. Accessory Storage: Holds up to 10 Allen wrenches or decapping pins for added convenience.
3. Flexible Mounting: Designed to be mounted on the Stax Bar for wall installation or countertop use.
4. Seamless Compatibility: Works with all other Stax products, allowing for easy expansion.

Stax Block 10 Safety Instructions

Introduction

Thank you for choosing the OBi Stax Block 10. This versatile tool is designed to help you organize your reloading dies and accessories efficiently. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the Stax Block 10 is used for its intended purpose only.
- Always keep the Stax Block 10 out of reach of children and vulnerable individuals.
- Regularly inspect the Stax Block 10 for any signs of damage or wear. If any issues are found, discontinue use immediately.
- Follow all local laws and regulations regarding the storage and handling of reloading materials and accessories.
- In case of any accidents or unsafe product experiences, report them to the appropriate authorities.

Specific Safety Precautions for Use

- When organizing reloading dies, ensure that they are securely placed in the Stax Block to prevent accidental dislodging.
- Use caution when handling sharp tools such as decapping pins and Allen wrenches. Always store them safely when not in use.
- If you are mounting the Stax Block on a wall, ensure that it is securely fastened to prevent it from falling.
- Be mindful of your surroundings when using the Stax Block to avoid any potential hazards or accidents.

Instructions for Installation and Usage

Installation

1. Mounting on Stax Bar:

- Choose a suitable location on the wall or countertop for your Stax Block.
- If mounting on the wall, ensure that the Stax Bar is securely attached to a solid surface.
- Attach the Stax Block to the Stax Bar according to the manufacturer's instructions.

2. Countertop Use:

- For countertop use, place the Stax Block on a flat, stable surface.
- Ensure that at least one Stax Drop is used to provide additional stability.

Usage

- Organize up to 10 reloading dies securely in the designated slots.
- Store up to 10 Allen wrenches or decapping pins in the accessory storage area for easy access.
- Regularly check the organization of your Stax Block to maintain order and safety in your reloading area.

Disposal Instructions

- When disposing of the Stax Block 10, follow local regulations for waste disposal.
- If the product is no longer usable, consider recycling options if available.
- Ensure that all accessories and sharp tools are disposed of safely to prevent injury.

Contact Information for Further Support

For any questions or concerns regarding the Stax Block 10, please reach out to your retailer or the manufacturer for assistance. Always refer to the product documentation for additional information.

Thank you for your attention to these important safety guidelines. Enjoy your experience with the OBi Stax Block 10 and ensure a safe and organized reloading process.
