

Stax Block 5

[Shooting Accessories](#) > [Duty Gear](#)

The OBi Stax Block 5 is a versatile and efficient tool for organizing your reloading dies and accessories, helping to keep your reloading room clean and orderly. As the most commonly used block in the Die Stax System, it holds up to 5 reloading dies and accommodates a combination of up to 5 Allen wrenches or decapping pins.

1. Die Organization: Securely organizes up to 5 reloading dies.
2. Accessory Storage: Holds up to 5 Allen wrenches or decapping pins for added convenience.
3. Flexible Mounting: Designed to be mounted on the Stax Bar for wall installation or countertop use.
4. Seamless Compatibility: Works with all other Stax products, allowing for easy expansion.

Important Notes: System Requirements: Requires at least one Stax Bar and one or more Stax Blocks to create your organization system. Countertop Stability: For countertop use, at least one Stax Drop is needed.

Stax Block 5 Safety Instruction Guide

Introduction

Thank you for choosing the OBi Stax Block 5, a versatile tool designed to organize your reloading dies and accessories efficiently. This guide provides essential safety instructions to ensure the safe use and maintenance of your Stax Block 5 in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Ensure that all components are securely fastened to prevent accidental disassembly.
 - Be cautious of sharp edges or points when handling the Stax Block 5 and its accessories.
- **Avoiding Hazards:**
 - Do not overload the Stax Block 5 beyond its specified capacity (5 reloading dies and 5 accessories).
 - Use only compatible accessories as specified in the product description.
 - Ensure the Stax Block 5 is mounted securely to avoid tipping or falling.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Adult supervision is required when used near minors.

Instructions for Installation and Usage

- **Installation Steps:**
 1. Choose a suitable location for mounting the Stax Block 5, either on a wall using the Stax Bar or on a countertop.
 2. If mounting on a wall, ensure the Stax Bar is securely installed according to the manufacturer's guidelines.
 3. For countertop use, place the Stax Block 5 on a stable surface and ensure it is level.
- **Usage Instructions:**
 - Organize your reloading dies by securely placing them into the designated slots of the Stax Block 5.
 - Store up to 5 Allen wrenches or decapping pins in the accessory slots for easy access.
 - Regularly check that all items are securely stored and that the Stax Block 5 remains stable during use.

Disposal Instructions

- When the Stax Block 5 reaches the end of its life cycle, dispose of it in accordance with local regulations.
- Recycle any components that are recyclable, and ensure that nonrecyclable materials are disposed of properly.

Contact Information for Further Support

For any safety inquiries or further information regarding the Stax Block 5, please reach out to the designated EU contact point provided by the manufacturer. Ensure you have the product details at hand for quicker assistance.

Thank you for your attention to safety while using the OBi Stax Block 5. Enjoy a more organized and efficient reloading experience!
